With sales of more than 47,000 copies in 1989, The Car Book has earned its place as the top consumer guide to buying a new car. It provides the latest information on pricing, insurance rates, safety records, fuel efficiency, resale value, and a newly added consumer complaint index.

Advertising expenditure data across ten media: consumer magazines, Sunday magazines, newspapers, outdoor, network television, spot television, syndicated television, cable television, network radio, and national spot radio. Lists brands alphabetically and shows total ten media expenditures, media used, parent company and PIB classification for each brand. Also included in this report are industry class totals and rankings of the top 100 companies of the ten media.

The consumer edition of the authoritative price guide includes retail data on domestic and imported cars, trucks, and vans, acceptable mileage ranges, and costs of specific optional factory features.
