Do you want to have a better understanding of the Bible? Do you want to see the big picture and how all the pieces tie together? Do you want to have a deeper appreciation for how the New and Old Testaments compliment one another? One of the secrets to this better understanding is to forget about chapters and verses and focus on reading whole books of the Bible. By doing so, it will be much easier to understand the author's train of thought and pick up on major and minor themes. Beyond the Verse is a collection of Wes McAdams' observations as he embarked on--and completed--a transformational journey of reading whole books of the Bible in one sitting. These summaries were originally published as blog posts, helping countless people become better students of the Bible. And now, this book has been created to help you notice important themes, ideas, and concepts to transform the way you read Scripture.

Mothering is messy. Our joy and hope in raising children doesn't change the reality that being a mom can be frustrating, stressful, and tiring. But just as God is using us to shape our children, God is using our children and motherhood to shape us. In *The Better Mom*, author Ruth Schwenk, herself a mother of four children, encourages us with the good news that there is more to being a mom than the extremes of striving for perfection or simply embracing the mess. We don't need to settle for surviving our kids' childhood. We can grow through it. With refreshing and heartfelt honesty Ruth emboldens moms to: Find freedom and walk confidently in purpose Create a God-honoring home environment Overcome unhealthy and destructive emotions such as anger, anxiety, and more Avoid glorifying the mess of mom-ing or idolizing perfection Cultivate life-giving friendships At the heart of *The Better Mom* is the message that Jesus calls us to live not a weary life, but a worthy life. We don't have to settle for either being apathetic or struggling to be perfect. Both visions of motherhood go too far. Ruth offers a better option. She says, "It's okay to come as we are, but what we're called to do and be is far too important to stay there! The way to becoming a better mom starts not with what we are doing, but with who God is inviting us to become."
