Grammar Troublespots, 3rd edition, provides an excellent aid for ESL writing students at the high intermediate level and above. It helps them identify and correct the typical errors that they are likely to make as they attempt to write, with the emphasis in this new edition on errors made in writing formal academic discourse. The book has 21 units. Each one examines an area of grammar, such as verb tense choice, article usage and modals, and then pinpoints the most troublesome grammar points within that area. Each unit provides a straightforward description of the grammar point, supported by plentiful clear examples, grammar charts and tables. The two-color new edition will be easier to use, with exercises such as error identification, error correction and sentence construction tasks consistently following each grammar point. Each unit ends with a writing assignment and a flowchart to help students diagnose their writing problems and edit their writing.

This guide to the most problematic rules of grammar provides students with concise advice for avoiding grammar pitfalls in their writing. It illustrates twenty-one of the most prevalent writing errors and helps students correct them through self-diagnostic flow-charts, explanations, and exercises.

Nitty Gritty Grammar, Second Edition, focuses on essential areas of English grammar that cause difficulty for developing writers. Nitty Gritty Grammar, Second Edition focuses on essential areas of English grammar that cause difficulty for developing writers. It guides students through the learning process by exploring grammar in context, providing controlled practice, and giving students thought-provoking writing assignments in which they can practice grammar in a more open-ended format. The grammar points are illustrated in reading passages from a variety of genres, from comic strips to the 9/11 Commission Report. Nitty Gritty Grammar boxes summarize key grammar points and serve as easy reference. Five review sections are included for review and consolidation.

Nitty Gritty Grammar, Second Edition, focuses on essential areas of English grammar that cause difficulty for developing writers. This Teacher's Manual provides teaching suggestions, hints about trouble spots and how to handle them, additional examples for use in presenting the grammar points, and a complete answer key.

A comparative and simple approach to learning the grammar of a new language The Side-by-Side Grammar books present explanations of the essential elements of Spanish or French grammar alongside their English-language equivalents. This method allows students to build on what they already know: not only do readers learn grammar for a new language but also enjoy the added benefit of strengthening their grammar skills in their native tongue ! Each lesson clearly explains functions and uses of the different parts of speech and includes abundant examples for each entry. Because the vocabulary is limited to frequently used words, students can concentrate more on a sentence's structure instead of becoming tangled in its meaning. A "Quick Check" section summarizes main ideas in each section and helps readers retain the most important information. New to these editions are exercise sections to further reinforce students' comprehension.
