Every church wants to be magnetic in its community, but many churches don't have a plan to accomplish this goal. Bob Franquiz started Calvary Fellowship in Miami with seven people. A few years into it, Bob realized the church was growing but not reaching the lost. No salvations had been recorded in two years. Something had to change. Now Calvary Fellowship sees thousands of first-time commitments and even more recommitments every year. Bob shares with church leaders the strategies that produced these astounding results: •effective evangelism •congregational training •explosive outreach •and more Bob challenges pastors to grab hold of the strategies their churches need and put them into radical action.
