Becoming Sister Wives: The Story of an Unconventional...

They begin with Kody's first (and only legal) marriage to Meri in 1990, and then describe how the couple brought the next two sister wives, Christine and Robyn into their family. This provides the back story to the real-life drama featured on their popular reality TV show, Sister Wives. After the first episodes aired, the family fled from Utah to Las Vegas to avoid threatened legal prosecution for bigamy.

Becoming Sister Wives: The Story of an Unconventional...

The open polygamists and stars of the popular reality television program offer their perspectives on their complex lifestyle, discussing how it feels to share a husband, how they make their family work, and their experiences of becoming public.

The stars of the hit show Sister Wives present an uncensored, unedited look at life in their plural marriage. In many ways, the Browns are like any other middle-American family. They eat, play, and pray together, squabble and hug, striving to raise happy, well-adjusted children while keeping their relationship loving and strong. The difference is, there are five adults in the openly polygamous Brown marriage—Kody and his four wives—who among them have seventeen children. Since TLC first launched its popular reality program Sister Wives, the Browns have become one of the most famous families in the country. Now Kody, Meri, Janelle, Christine, and Robyn reveal in their own words exactly how their special relationship works—the love and faith that drew them together, the plusses and pitfalls of having sister wives, and the practical and emotional complications of a lifestyle viewed by many with distrust, prejudice, even fear. With the candor and frankness that have drawn millions to their show, they talk about what makes their fascinating family work, addressing the topics that intrigue outsiders: How do the four relationships differ? What effect does a polygamous upbringing have on their children? What are the challenges—emotional, social, or financial—involved in living this lifestyle? Is it possible for all four sister wives to feel special when sharing a husband—and what happens when jealousy arises? How has being on camera changed their lives? And what ' s it like to add a new wife to the family—or to be that new wife? Filled with humor, warmth, surprising insights, and remarkable honesty, this is a singular story of plural marriage and all the struggles and joys that go with it. At heart, it ' s a love story—unconventional but immediately recognizable in the daily moments of trust, acceptance, forgiveness, passion, and commitment that go into making one big, happy, extraordinary family.

In a remote polygamist community, fifteen-year-old Celeste struggles to accept her destiny while longing to be free to choose how to live her life.

For decades, polygamous families have been forced to hide their lifestyle. But this first-ever memoir of a polygamous family is a riveting inside look at a world we can hardly imagine, revealing the extraordinary workings of one family ' s day-to-day life. In this intimate story, the Dargers explain why they chose this path despite the pressures of keeping their relationships secret and the jealousy and personal challenges that naturally ensue; why they believe polygamy should be an accepted lifestyle; and, ultimately, why they hope that by revealing their way of life in public, laws that criminalize polygamy might change. Despite the risk of legal action, the Dargers know that it ' s time to counteract Hollywood ' s sensational interpretation and the general public ' s misunderstanding of polygamy with the truth.

As a young girl, Karen Miller lived a quiet life in Australia. She never imagined when she grew up, she'd be lured into a polygamous marriage, spend her spare time dumpster diving to feed her kids, and fighting to escape her increasingly demented husband. How was she lured into such a lifestyle? What was day to day life like in the polygamous community? What eventually drove Miller to seek a new way of life? My Life As a Sister Wife: What You Don't Know Can Hurt You is the gripping, true-life story of Miller's life, beginning with her traumatic childhood and ending with her eventual freedom from a polygamous cult in Utah.

After modern science turns every human into a genetic time bomb with men dying at age twenty-five and women dying at age twenty, girls are kidnapped and married off in order to repopulate the world.

The story of my 6 month affair with a married polygamist reality tv star.

The Sister Wife is the first book in a new Brides of Gabriel historical series set during the formation of the Mormon edict of polygamy. Award-winning author Diane Noble explores the inner conflicts, emotions, and decisions of three women married to the same man. A moving tale of faith and doubt, love and commitment for fans of Big Love or those who devoured Carolyn Jessop ' s Escape, The Sister Wife follows a budding family living in close community with the controversial Mormon prophet Joseph Smith as they are pulled deeper into the world of polygamy.

NATIONAL BESTSELLER • From the author of Into the Wild and Into Thin Air, This extraordinary work of investigative journalism takes readers inside America ' s isolated Mormon Fundamentalist communities, where some 40,000 people still practice polygamy. Defying both civil authorities and the Mormon establishment in Salt Lake City, the renegade leaders of these Taliban-like theocracies are zealots who answer only to God. At the core of Krakauer ' s book are brothers Ron and Dan Lafferty, who insist they received a commandment from God to kill a blameless woman and her baby girl. Beginning with a meticulously researched account of this appalling double murder, Krakauer constructs a multi-layered, bone-chilling narrative of messianic delusion, polygamy, savage violence, and unyielding faith. Along the way he uncovers a shadowy offshoot of America ' s fastest growing religion, and raises provocative questions about the nature of religious belief.

It is 1875, and Ann Eliza Young has recently separated from her powerful husband, Brigham Young, prophet and leader of the Mormon Church. Expelled and an outcast, Ann Eliza embarks on a crusade to end polygamy in the United States. A rich account of her family ' s polygamous history is revealed, including how both she and her mother became plural wives. Yet soon after Ann Eliza ' s story begins, a second exquisite narrative unfolds—a tale of murder involving a polygamist family in present-day Utah. Jordan Scott, a young man who was thrown out of his fundamentalist sect years earlier, must reenter the world that cast him aside in order to discover the truth behind his father ' s death. And as Ann Eliza ' s narrative intertwines with that of Jordan ' s search, readers are pulled deeper into the mysteries of love, family, and faith.
