Overview. Without effective behavior management, a positive and productive classroom
environment is impossible. And while 50 years of scientific research supports the efficacy of
behavioral interventions in the classroom, school psychologists and teachers are often
unaware of these interventions or how to apply them.

School-Wide Positive Behavioral Interventions & Supports (PBIS) provides an operational framework for achieving these outcomes. More importantly, PBIS is NOT a curriculum, intervention, or practice, but IS a decision making framework that guides selection, integration, and implementation of the best evidence-based academic and behavioral practices for improving important academic and behavior outcomes for all students.
