DARK VALLEY .and Beyond is the story of a journey through traumatic grief. When the great love of her life was taken, deep grief was compounded by the testing of her faith. The very foundations of life seemed to be swept away. Yet the faithful Shepherd, though hidden for a time, held her through the storm, sent help when needed, and "restored her soul." This is a record of God's faithfulness "though I walk through the Valley of the shadow of death..." It is a record of pain and struggle leading to healing, hope and purpose. The author grew up in a small village nestled in a farming community. It was there, as a

child, that she met God. After high-school she attended a Bible College where she came to know, respect, then to love a young man who also worshiped the Lord. She taught school for a short time, then they married and together raised four children. The relationship with her earthly love, shared for more than half a century, was recognized both by herself and others as uniquely precious, a gift from the very hand of God. When death tore them apart, grief struck like a tsunami; the storm of dark, excruciating anguish nearly destroyed her. But God, though for a time unseen in those shadows, held her close and brought her through-changed, still acutely aware of deep loss-but trusting the purpose of the Almighty, the deepest Love of her life.

Teach to Learn You teach to make a difference. Now, revitalize your classroom by learning and mastering these seven time-tested principles being taught around the world! Written for teachers, including Sunday school teachers, parents, and professionals, this book outlines scriptural principles and techniques that will revolutionize your ability to teach to change lives. From the "law of the learner" to the "law of equipping," each chapter presents hands-on, practical tools for you to employ in your own classroom. Make a Difference Students learn best when teachers teach best! So how can you do your part? Employ the seven laws of the learner and unleash your students' capabilities. You'll discover how to: Help students reach their full potential Effect lasting life change Rekindle your flame for teaching Create an excitement for learning Transform apathetic students Whether you're a professional teacher, a parent, or teach in any setting, these principles and techniques will empower you to make a lasting impact in people's lives. Thousands of teachers have already used these principles to spur their students to new horizons of success. "For some time I have said to myself, "Much of what I am doing in the classroom is a waste of time. I can't continue this career unless I can make a more significant contribution in the lives of my students." The Seven Laws of the Learner was the answer to my need." Seminary professor Portland , Oregon "For years I filled my students with content. But since learning the seven laws, my life and teaching have not been the same. Now teaching for life change and revival are becoming second nature." Businessman, adult Sunday school teacher Orange , California Story Behind the Book Bruce Wilkinson had received thousands of requests for a book about how people learn. Having taught teachers all over the world, he developed the Seven Laws as the basis of his teaching workshops. In 1991 he sat down to put this content into book form. Published originally as a partnership between Multnomah Publishers and Walk Thru the Bible Ministries, this book is a companion to the workbook titled Almost Every Answer for Practically Every Teacher.

Are your children ready to live out their faith in the real world? Most parents who value Christian faith want their children to enjoy a vibrant, growing relationship with God, both now and throughout their lives. But few of those parents ever attach this hope to an ongoing plan; therefore, they fail to lay a reliable spiritual track in front of the fast-moving train of family life. This book is a junction point where deep parental desire meets workable design and where timid inadequacy meets Christ's sufficiency. It's where individual families become multiplication factories, exerting a lasting impact not only on their coming generations but even on the culture at large. The death of Joshua and his contemporaries was barely old news in Israel before the people of God experienced a Judges 2:10 moment: "There arose another generation after them who did not know the Lord or the work that he had done" (ESV). One generation is all it takes. One generation who stops remembering. One generation who stops creating. One generation blinded to God's real work in their lives who then subtly quiets the expectation of His new work in succeeding generations. Do Your Children Believe? appears at a time in history when another Judges 2:10 moment doesn't sound so incredibly far-fetched—a day when many people's only real knowledge of God comes from what they've heard and read about, not what they've actually seen and experienced, and when His work is more about the dutiful following of rules than the daily adventure of walking with Him as Lord. Imagine, instead, a generation of your family who knows God with intimate familiarity. Who doesn't just pretend at faith but actually lives it. Kids who can tell you what they believe and why it matters. Teenagers who handle adversity with the resilient joy of godly wisdom. A family who prays together and worships together, growing into young adults who are equipped and inspired to keep this torch ablaze from the moment their own new families begin. This book is here to make that reality happen, written by an author equipped with not only a passion for the concept but also a proven plan for success—a wealth of first-hand personal stories from his wife and kids for how they've put this plan into living action with remarkable blessings in tow. When God puts His power behind families who embrace this kingdom call, on-the-ground change will result in off-the-charts revival.

Women's ministry today addresses the needs of women in all walks and stages of life. Drawing on her years of church staff experience, Linda Lesniewski describes the changing and varied needs of women and encourages Christian women to become involved in leadership. The book emphasizes the biblical foundation of women's ministry and explores the call of God to minister to women. Moving to more practical issues, it discusses leadership training, following church protocol, communication, and ways to make ministry fresh, creative, and vital. Whether a veteran looking for inspiration and new ideas or a person exploring God's direction in life, any woman can benefit from the wealth of information and inspiration found in Connecting Women.

The Prayer of Jabez Bible Study reveals how to make praying the Jabez prayer a lifetime habit. Readers will broaden their understanding of the four components of the Jabez prayer ("bless me; enlarge my borders; keep Your hand upon me; keep me from evil") by investigating key scriptural passages and learning how to apply them to their lives. Graphics and lighthearted illustrations make this innovative, four-week study impactful and fun. An eighty-page Leader's Edition with two additional, optional sessions is also available.

God is at work around the globe. You'll find stories in these pages from every walk of life, and every corner, that bears this out. Amazing stories of the miraculous, and stories of the unassuming yet life-altering hand of God through His people. In some respects, it is not a surprise that God is at work. What is a surprise is that God is at work through us, when He could choose to work alone. He invites you, and everyone, to partner with him, not just to do the work but to experience the success and joy that comes with taking a leap of faith. As you read through this book, you will be both challenged and inspired by these stories. The hope is that you will see the world around you differently because God is at work in you. That is the exciting promise He offers — that you can participate in the most life-changing adventure you could ever experience, the story of His incredible love for Everyone, Everywhere.

His New York Times phenomenon *The Prayer of Jabez* changed how millions pray. Now Bruce Wilkinson wants to change what they do next. Anyone can do a good deed, but some good works can only happen by an act of God. Around the world these acts are called miracles—not that even religious people expect to see one any time soon. But what would happen if millions of ordinary people walked out each morning expecting God to deliver a miracle through them to a person in need? *You Were Born for This* starts with the dramatic premise that everyone at all times is in need of a miracle, and that God is ready to meet those needs supernaturally through ordinary people who are willing to learn the "protocol of heaven." In the straightforward, story-driven, highly motivating style for which he is known, Wilkinson describes how anyone can be a 'Delivery Guy' from heaven in such universally significant arenas of life as finances, practical help, relationships, purpose and spiritual growth. *You Were Born for This* will change how you see your world and show you what you can expect God to do through you to meet real needs. You will master seven simple tools of service, and come to say with confidence, "I want to deliver a supernatural gift from God to someone in need today—and I expect to!" From the Hardcover edition.
