When Angel underwent the Trials in an attempt to save the now-human Darla from dying of syphilis, he had to walk barefoot and barehanded through a hall covered in crosses and put his hand in a stoup filled with holy water in order to reach a key. During the final one, in which the contestant had to face death itself, Angel was placed in front of a device set up to shoot dozens of wooden stakes, allegedly so that their life could be sacrificed in exchange for the life the contestant wanted to ...

Fortunately, Buffy Summers has always had a support system of friends and family to help her cope. But what if she hadn't? She might have been just like Faith. Faith, the "shadow-self" Slayer, is strong, sexy, and willful. When she first arrives in Sunnydale, Watcher-less and fancy-free, Buffy has doubts about the tag-team approach to patrol.

On the TV screen as elsewhere, there is often more than meets the eye. For decades, television has offered not just entertainment, but observations--subtle and otherwise--on society. This book examines the cultural commentary contained in Buffy, the Vampire Slayer, a show that ran for seven seasons (1997-2003) and 144 episodes. On the surface, Buffy is the marriage of a high school drama to gothic horror. This somewhat unusual vehicle is used to present, via the character of Buffy, fairly typical views of late 20th century culture-teenage problems; issues regarding a broken home; and the search for meaning and validation. In addition, subtler themes, such as cultural views of knowledge, ethnicity and history, are woven into the show's critique of popular culture. Organized into two sections, this volume offers an in-depth examination of the show: first, through the lens of Buffy's confrontation with culture, and second, from the complex perspectives of the individual characters. Issues such as values, ethical choices and the implications of one's actions are discussed--without ever losing sight of the limitations of a medium that will always be dominated by financial concerns. The final chapter summarizes what Buffy has to say about today's society. An appendix lists Buffy episodes in chronological order.

Growing up with an imaginary friend as her only companion, Faith is removed from her home by social services before being approached by Diana Dormer of the Watchers Council, who reveals Faith's destiny as a Chosen One. Original. 25,000 first printing. (Tie-in to the syndicated television series, created by Joss Whedon, starring Sarah Michelle Gellar, James Marston, Alyson Hannigan, Nicholas Brendon, & others) (Horror)

The definitive collection of every Buffy the Vampire Slayer comic, for the first time presented in publication order, continues in this all-new volume. THE OFFICIAL TIE-IN TO JOSS WHEDON'S AWARD-WINNING BUFFY THE VAMPIRE SLAYER TELEVISION SERIES! Set during the third season of the Buffy The Vampire Slayer television series, discover the untold stories of the Scoobies during the most dangerous time ever - their final year at Sunnydale High! As if finals and the threat of further education weren't bad enough, Buffy & her friends will have to fight superpowered vampires and doppelg\u00e4ngers, all at the whim of the terrifying Big Bad Selke! And let's not forget the homework. Collects Buffy The Vampire Slayer #11-19 (Dark Horse Comics), as well as short stories from the era, including "Bad Dog," the first comic work by screenwriter/director and Buffy alum Douglas Petrie Legacy Editions collect for the first time every issue of the most popular BOOM! Studios series in chronological order, in a newly designed, value priced format.

An official guide to Buffy the Vampire Slayer describes the mythology and influences behind the monsters, ghouls, and characters through interviews with the creators and details of the episodes.

This bibliographic guide covers the "Buffyverse"--the fictional worlds of the acclaimed television series Buffy the Vampire Slayer (1997-2003) and its spinoff Angel (1999-2004), as well as the original Buffy feature film of 1992. It is the largest and most inclusive work of its kind. The author organizes and describes both the original texts of the Buffyverse (episodes, DVDs, novels, comic books, games, and more) and the secondary materials created about the shows, including books, essays, articles, documentaries, dissertations, fan production and websites. This vast and diverse collection of information about these two seminal shows and their feature-film forebear provides an accessible, authoritative and comprehensive survey of the subject.

"The author describes all of Whedon's work, covering both the original texts of the Whedonverse, along with secondary materials focusing on Whedon's projects, including 2000 books, essays, articles, documentaries and dissertations"--

What is the true measure of a champion? In the nineteenth century a boy named William was born. A sweet, gentle boy -- no one could have guessed the suffering he'd cause, the pain he'd inflict. When, as a young man, he meets a woman called Drusilla -- a strange woman, a woman unlike anyone William has ever known -- he is fundamentally changed. She has turned him. There will be no more William. He is Spike now. As Spike, he travels Europe with a band of vagabond vampires. Dru, Darla, and Angelus instruct him on his new nature, and from them he learns about that greatest of vampiric enemies, the girl who is chosen to stand up

Download Free Buffy The Faith Trials V 1 Buffy The Vampire Slayer

against them, trained to kill them, endowed with the strength it takes to defeat them: the Slayer. Then and there, Spike decides he'll hunt down those slayers. He'll see how many he can find. Who would have thought then that he'd fight on the Slayer's side? Who would have guessed that Spike, once William, would go out and seek his soul for a slayer? Who would have dared dream he'd fall in love with one?

Explore the history and cultural impact of a groundbreaking television show adored by old and new fans alike: Buffy the Vampire Slayer. Over the course of its seven-year run, Buffy the Vampire Slayer cultivated a loyal fandom and featured a strong, complex female lead, at a time when such a character was a rarity. Evan Ross Katz explores the show's cultural relevance through a book that is part oral history, part celebration, and part memoir of a personal fandom that has universal resonance still, decades later. Katz—with the help of the show's cast, creators, and crew—reveals that although Buffy contributed to important conversations about gender, sexuality, and feminism, it was not free of internal strife, controversy, and shortcomings. Men—both on screen and off—would taint the show's reputation as a feminist masterpiece, and changing networks, amongst other factors, would drastically alter the show's tone. Katz addresses these issues and more, including interviews with stars Sarah Michelle Gellar, Charisma Carpenter, Emma Caulfield, Amber Benson, James Marsters, Anthony Stewart Head, Seth Green, Marc Blucas, Nicholas Brendon, Danny Strong, Tom Lenk, Bianca Lawson, Julie Benz, Clare Kramer, K. Todd Freeman, Sharon Ferguson; and writers Douglas Petrie, Jane Espenson, and Drew Z. Greenberg; as well as conversations with Buffy fanatics and friends of the cast including Stacey Abrams, Cynthia Erivo, Lee Pace, Claire Saffitz, Tavi Gevinson, and Selma Blair. Into Every Generation a Slayer Is Born engages with the very notion of fandom, and the ways a show like Buffy can influence not only how we see the world but how we exist within it.

A special hardcover collector's edition of the authorized Buffy the Vampire Slayer Watcher's Guides, now with updated content from the cast and crew! As long as there have been vampires, there has been the Slayer. One girl in all the world to find them where they gather and to stop the spread of their evil and the swell of their numbers. From the first vampire staking to the last glimpse of Sunnydale, Buffy the Vampire Slayer was a genre-busting hit, attracting millions of fans worldwide. Even now, two decades later, Buffy the Vampire Slayer still plays a role in shaping an entire generation of media. Just in time for the show's twentieth anniversary, the Buffy the Vampire Slayer Watcher's Guides have been compiled into one hardcover collector's edition for the first time! Inside, you'll find all the best content from Volumes 1-3 of the original Watcher's Guides, as well as exclusive new content, including never-before-seen interviews with the cast and crew.

From L.A. Times best-selling author Nancy Holder comes a new, original adventure featuring the cast of both Buffy the Vampire Slayer and Angel. In his first year in Los Angeles, Angel, the vampire with a soul, came across an inter-dimensional hunter named Jhiera. The seductive woman was only trying to protect other females in her culture from being stripped of their emotions -- intense emotions that gave them dominance over men. Angel fell victim to her heat, but Jhiera had to return to her own dimension. Now "She" is back and searching for a lost young woman who may be the key to unleashing an inter-dimensional war -- a war that will be led by a powerful sorcerer, determined to free China's terra-cotta army of fierce samurai from their long imprisonment.... There exists a hell dimension that is very much like the Ninth Circle of Hell that Dante Alighieri described in The Inferno. It is a frozen, desolate place, and the souls of the damned are buried in vast sheets of ice. Evil beings from many different dimensions have been sent there. The descendants of the imprisoned are chipping away at the barriers that separate the dimensions, hoping to free those trapped in the ice, so that they may return and claim this world for their own. One of these demons is in L.A. searching for Jhiera, hoping to strike a deal that will persuade her to thaw his soldiers -- and dragons -- in exchange for their help overthrowing the Vigories of Oden Tal. But what form will this demonic army take when it arrives in our world? In Sunnydale, Buffy Summers is casting about in her new life -- as school counselor, guardian of Dawn, best friend, keeper of Spike's sanity, and of course as Slayer -- hoping to find something, anything, that will give her back that "finished" feeling. A demonic army with a dragon at its head is so not what she needs right now. And in L.A., Angel and Gunn -- each man pining for a woman he can never have, for a time that will never be what it was -- stumble across a raging battle at a museum. Angel is astonished to see the inter-dimensional fugitive Jhiera again...and to have the same feelings for her come rushing back to the surface. Jhiera escapes, and the Angel Investigations gang starts poking around, trying to discover why the Oden Tal woman was at the museum -- a museum featuring an archaeological exhibit of the terra-cotta army of samurai figurines that were found in a Chinese emperor's tomb. They are a marvel to behold, and both Los Angeles and Sunnydale are lucky enough to host the exhibit. That can't be a coincidence...can it? When the frozen hell dimension is thawed and opened, a demonic army will enter this world through the Hellmouth. The various creatures will occupy the forms of the ready-made army, and a war will be waged.
