Once an unabashed cheese lover, and for a time even a Fromagier, Kristy Turner thought she could never go vegan. But I Could Never Go Vegan! takes inspiration from her own personal journey and helps others along their own journey towards being more informed, educated and skilled in preparing hearty, healthy and flavorsome vegan food. For more on But I Could Never Go Vegan!, take a look at the publisher's trailer.

But I Could Never Go Vegan! Review | Vegan Miam

But I Could Never Go Vegan! countered the many reasons people give for not going vegan. I picked it up because I'm always looking for 1) new veggie-focused meals to try and 2) ideas to help me reduce the amount of dairy in my meals. The author being a former cheese-lover herself, I thought I could trust her recipes to actually satisfy my dairy ...

Amazon.co.uk:Customer reviews: But I Could Never Go Vegan!

I could never go with you no matter how I wanted to. Ride on, see you, I could never go with you no matter how I wanted to. When you ride into the night, without a trace behind. Run your claw along my gut, one last time. I turn to face an empty space, where you used to lie.

Celtic Thunder - Ride On Lyrics | AZLyrics.com

I could never go with you no matter how I wanted to Ride on, see you, I could never go with you no matter how I wanted to Ride on, see you, I could never go with you no matter how I wanted to When you ride into the night, without a trace behind Run your claw along my gut, one last time I turn to face an empty space, where you used to lie

Celtic Thunder - Ride On Lyrics | MetroLyrics

I'll never go far away from you Even the sky will tell you That I need you so For this is all I know I'll never go far away from you Come to me and hold me And you will see The love I give For you still hold the key Every single day You always act this way For how many times I told you I love you For this is all I know I'll never go I'll never ...

(Even vegan pros will discover some new tricks!) Colorful photographs throughout will have you salivating over Kristy's inventive, easy-to-follow recipes. So what are you waiting for? Get in the kitchen and leave your excuses at the door!

This volume tells the story of a young Jewish girl who flees to England from Nazi Germany, and her struggle not only to forget the persecution she suffered in her previous life, but also to fit in with her new, very different world.

In the spring of 1944, Red Army Air Force military correspondent Mikhail Koriakov experienced a profound religious awakening which led to a sudden marked revulsion in his entire opinion of the Soviet system and philosophy. On voicing his new views, he was regarded to be "ideologically unsound," was relieved of his post, and assigned to innocuous duties. *I'll Never Go Back*, first published in 1948, details the author's adventures following his conversion. The book provides a starkly realistic account of the brutality of the Red Army, detailing various incidents of barbarisms to which he was witness, and also describes his assignment to the Embassy and the operations of the Soviet secret police (NKVD) in Paris during this period. "...compelling..."—Kirkus Review

What if you came home for Thanksgiving and your family home had disappeared? Picture this: You started your first year at university a couple months ago and you haven't been home since. You miss your parents, but you've learned a lot about yourself living away. Your family was accepting when you came out queer, but everything's different now that you're questioning your gender identity too. Even if you can work up the nerve to tell your parents, will they ever understand? That's the least of your concerns when you get home to find your house isn't there. It's just... gone! The neighbours have no idea who you are. What happened to your family? How can you find them? And does anyone remember the way things used to be? A Paranormal LGBTQ Young Adult Novelette

"These thousands, and tens and twenties of thousands of American young men, badly wounded, all sorts of wounds, operated on, pallid with diarrhea, languishing, dying with fever, pneumonia, &c. open a new world somehow to me, giving closer insights, new things, exploring deeper mines than any yet, showing our humanity, (I sometimes put myself in fancy in the cot, with typhoid, or under the knife,) tried by terrible, fearfulest tests, probed deepest, the living soul's, the body's tragedies, bursting the petty bounds of art." So wrote Walt Whitman in March of 1863, in a letter telling friends in New York what he had witnessed in Washington's war hospitals. In this, we see both a description of war's ravages and a major artist's imaginative response to the horrors of war as it "bursts the petty bounds of art." In "...the real war will never get in the books", Louis Masur has brought together fourteen of the most eloquent and articulate writers of the Civil War period, including such major literary figures as Nathaniel Hawthorne, Harriet Beecher Stowe, Ralph Waldo Emerson, Frederick Douglass, Herman Melville, Walt Whitman, Henry Adams, and Louisa May Alcott. Drawing on a wide range of material, including diaries, letters, and essays, Masur captures the reactions of these writers as the war was waged, providing a broad spectrum of views. Emerson, for instance, sees the war "come as a frosty October, which shall restore intellectual & moral power to these languid & dissipated populations." African-American writer Charlotte Forten writes sadly of the slaughter at Fort Wagner: "It seems very, very hard that the best and noblest must be the earliest called away. Especially has it been so throughout this dreadful war." There are writings by soldiers in combat. John Esten Cooke, a writer of popular pre-Revolutionary romances serving as a Confederate soldier under J.E.B. Stuart, describes Stonewall Jackson's uniform: "It was positively scorched by sun--had that dingy hue, the product of sun and rain, and contact with the ground...but the men of the old Stonewall Brigade loved that coat." And John De Forest, a Union officer, describes facing a Confederate volley: "It was a long rattle like that which a boy makes in running with a stick along a picket-fence, only vastly louder; and at the same time the sharp, quiet whit-whit of bullets chipped close to our ears." And along the way, we sample many vivid portraits of the era, perhaps the most surprising of which is Louisa May Alcott's explanation of why she preferred her noon-to-midnight schedule in a Washington hospital: "I like it as it leaves me time for a morning run which is what I need to keep well....I trot up & down the streets in all directions, some times to the Heights, then half way to Washington, again to the hill over which the long trains of army wagons are constantly vanishing & ambulances appearing. That way the fighting lies, & I long to follow." With unmatched intimacy and immediacy, "...the real war will never get in the books" illuminates the often painful intellectual and emotional efforts of fourteen accomplished writers as they come to grips with "The American Apocalypse."

When hard times strike, we look forward with longing to the day when we will "get over" the event and have closure. This is a difficult--often impossible--road to travel. There are some things in life that we must learn to live with because they will never truly go away for good. Despite that truth, there is life--rewarding and abundant life--after heartache and pain. John F. Westfall leads readers beyond their hurts and into a life of confidence, freedom, and secure joy. Sharing stories with wisdom, humor, and vulnerability, he shows how to move forward beyond fear, regret, guilt, anger, and bitterness into a life worth living.

In the spellbinding new mystery by the master of "the clever twist," a group of ex-RAF comrades journey to a Scottish castle for a reunion. But by the time they reach their destination, two of them are dead. Harry Barnett is leading a contented life in Vancouver with his wife and daughter when he is brought back to England by the death of his mother. He intends to spend just a few days sorting out her affairs

when a chance meeting he will regret for the rest of his life makes him change his plans. Two old acquaintances from his National Service days track Harry down to his mother's house – the last address they had for him. A lavish reunion has been organized to mark the fiftieth anniversary of their RAF days. Harry decides to go. During the war, Harry and his fellow RAF conscripts spent three months in a Scottish castle where they acted as guinea pigs in a psychological experiment. The reunion is to take place in the same castle. It will be a chance to see friends, settle old scores and lay a few ghosts to rest. The party begins on the train up to Aberdeen, until the apparent suicide of one of their number shatters the holiday atmosphere. Their arrival in Scotland seems under a cloud, and when another comrade dies soon after their arrival, Harry is gripped by a sense of foreboding. As well, the recollections of the old comrades of their time in the castle are frighteningly different, and unexplained events from 1955 still haunt them. As Harry tries to solve the mystery of what really happened fifty years ago, he uncovers an extraordinary secret that convinces him he will never leave the castle alive.

Jack Carew, one of the most dynamic and innovative sales training consultants in America today, offers his ten unique strategies of Positional Selling for sales-people in every area. Whether you're selling ideas, products, or even yourself, you'll benefit from the precise, standard-setting methods shared with thousands of top sales professionals from Fortune 500 companies and major corporations around the world. You'll also master the human dynamics of selling, and make yourself an indispensable partner as you listen, acknowledge, explore and respond. You'll be selling with powerful, productive new energy-and You'll Never Get No For An Answer!

Jack Reacher arrives in Virginia hoping to contact the woman he spoke with on the phone in "61 Hours," only to be drafted back into the Army, where he confronts life-changing elements from his past.

#1 NEW YORK TIMES BESTSELLER • Never go back—but Jack Reacher does, and the past finally catches up with him. . . . Never Go Back is a novel of action-charged suspense starring "one of the best thriller characters at work today" (Newsweek). Former military cop Jack Reacher makes it all the way from snowbound South Dakota to his destination in northeastern Virginia, near Washington, D.C.: the headquarters of his old unit, the 110th MP. The old stone building is the closest thing to a home he ever had. Reacher is there to meet—in person—the new commanding officer, Major Susan Turner, so far just a warm, intriguing voice on the phone. But it isn't Turner behind the CO's desk. And Reacher is hit with two pieces of shocking news, one with serious criminal consequences, and one too personal to even think about. When threatened, you can run or fight. Reacher fights, aiming to find Turner and clear his name, barely a step ahead of the army, and the FBI, and the D.C. Metro police, and four unidentified thugs. Combining an intricate puzzle of a plot and an exciting chase for truth and justice, Lee Child puts Reacher through his paces—and makes him question who he is, what he's done, and the very future of his untethered life on the open road. Don't miss Lee Child's short story "High Heat" in the back of the book. Praise for Never Go Back "A breathless cross-country spree . . . some of the best, wildest writing [Lee] Child has ever done . . . Child's bodacious action hero, Jack Reacher, has already tramped through 17 novels and three e-book singles. But his latest, Never Go Back, may be the best desert island reading in the series. It's exceptionally well plotted. And full of wild surprises. And wise about Reacher's peculiar nature. And positively Bunyanesque in its admiring contributions to Reacher lore."—Janet Maslin, The New York Times "Welcome to the relentless world of Jack Reacher and his impressive tendency to be in the wrong place at the right time. . . . Child has created an iconic character that other thriller writers try to emulate but don't come close to matching. He has a talent for taking material that in the hands of other authors would be stale and making it seem fresh. . . . Tight and compelling . . . Never Go Back is one of Child's best novels."—Associated Press "An adrenaline-charged, action-packed thriller . . . impossible to put down."—Lansing State Journal "The dialogue has never been sharper. . . . The pages turn themselves."—San Antonio Express-News "For the pure pleasure of uncomplicated, nonstop action, no one touches Reacher."—Kirkus Reviews (starred review) "Brilliant . . . Child never, ever slips. He keeps the action cranking better than anyone, but, best of all, he keeps us guessing about Reacher."—Booklist (starred review) "One of the best in the series."—Publishers Weekly (starred review)
