THE LITERATURE THATexamines public policy toward illicit drugs is littered with ideological polemics of questionable aca- demic merit. With an inflammatory title like **Drug War Heresies**, one might expect Robert J. MacCoun and Peter Reuter ' s re- cent contribution to this debate to be yet an- other biased, politically motivated harangue.

Review of Drug War Heresies by MacCoun and Reuter

Founded in 1920, the NBER is a private, non-profit, non-partisan organization dedicated to conducting economic research and to disseminating research findings among academics, public policy makers, and business professionals.
