It used to be so simple. You made a website or application to work on a 15" monitor and, incompatibilities between browsers aside, you were done. Then along came mobile phones with web browsers and they ruined all our easy lives. Worse than that, people loved browsing the web on them! Fortunately, by using responsive web design techniques, you can use one set of HTML, CSS and JavaScript, and display appropriate elements in an appropriate way to suit each platform. In Jump Start Responsive Web Design, you'll learn responsive techniques to make your designs look magnificent on any device, future-proof them, and reduce development time and budget. RWD helps you deal with the very real problem of not knowing where and how your application will be used. Completely overhauled for its second edition, this book covers: What does responsive really mean? Semantic page structure Grid systems Responsive Images and media Media queries Responsive content

James Stewart's Calculus series is the top-seller in the world because of its problem-solving focus, mathematical precision and accuracy, and outstanding examples and problem sets. Selected and mentored by Stewart, Daniel Clegg and Saleem Watson continue his legacy of providing students with the strongest foundation for a STEM future. Their careful refinements retain Stewart's clarity of exposition and make the 9th Edition even more useful as a teaching tool for instructors and as a learning tool for students. Showing that Calculus is both practical and beautiful, the Stewart approach enhances understanding and builds confidence for millions of students worldwide. This year at Suburban High School is just as troubling as the last. A curly-haired girl ghost is disrupting lives with dreaded "kiss notes," and students are inexplicably sinking into depression. Bruno—the new kid on the block—finds himself at the center of the mystery when he discovers his natural map-reading abilities are actually supernatural. When the reluctant hero isn't engaged in cosmic battles against evil, Bruno is swooning over the mesmerizing Celia (from *The Suburban Strange*) and navigating the goth sensibilities and musical obsessions of the Rosary, her über-chic
