Containing every biblical name and its Hebrew or Greek nuances, your own relationship with God will be enriched as you gain an in-depth understanding of their meanings.

Contains every biblical name and its various shades of Hebrew or Greek meanings. Your own relationship with God will be enriched as you gain in-depth understanding of the meanings of biblical names.

Some years since, the present writer, in pursuing his studies in the Bible, reached a portion which consisted largely of Proper Names, and at once he was confronted with the fact, that a considerable and, to him, important portion of the Bible was untranslated. Fully persuaded that "whatsoever things were written aforetime were written for our learning," and that "all Scripture is given by inspiration of God, and is profitable for doctrine" (Rom. 15:4, 2 Tim. 3:16); and hence that there could be no idle word in God's Book; he set about preparing an accurate, alphabetical list of all the Proper Names of the Old and New Testaments with a view to securing the best possible renderings of the same. Fortunately, there was ready access to the works of Cruden, Long, Oliver, Young, Wilkinson, Charnock, McClintock & Strong, Smith's Bible Dictionary, Abbott's Dictionary, Imperial Bible Dictionary, Encyclopaedia Biblica, and, before the list was complete, Strong's Concordance, Tregelles, F. W. Grant, and others. At the end of about three years, the writer had obtained a

meaning for nearly every proper name in the Bible, and, on the recommendation of friends, began preparations for publishing the results of his labours for the benefit of others similarly interested. His plan was to arrange the names alphabetically, as spelled in our common English Bibles, attaching the meanings he had found in the order in which he considered them to have weight, i.e., in the order in which he considered their sources to be authoritative. At the end of this part of his work, ere he went to press with his new Onomasticon, it occurred to him to experiment a little with some of the meanings he had secured in order to see how they would work in the elucidation of some of those passages which had first suggested the need of his researches. The result was as perplexing as it was curious; in some cases no less than twelve different, not to say opposite, meanings were given to the same name by the same writer. But which, if any one of them, was the English equivalent of the Hebrew or Greek name under consideration? That was the important question, to determine which. A few of these names were subjected to rigid, etymological analysis during which two discoveries were made, viz.: 1. That not one of these onomasticographers could be depended upon throughout his whole list of names. 2. That "every Scripture was God-inspired... that the man of God may be perfect, fully fitted to every good work." (2 Tim. 3:16-17 - literal rendering) A new start was made; all meanings were discarded and each name was traced to its own roots in the original tongue and the meaning derived according to the etymological rules and usage of the language in which it was written. In the present work all current authorities have been used or consulted, such as Robinson's Gesenius, Fuerst's Hebrew Lexicon, Davidson's Hebrew and Chaldee Lexicon, Davies' Hebrew Lexicon and, now that it is completed, the learned and laborious Hebrew and Chaldee Lexicon by Brown, Driver & Briggs as well as Tregelles and some others for portions. For the New Testament names, the Greek Lexicons of Liddell & Scott and Parkhurst have been mainly relied upon. The one controlling idea in the preparation of this work has been to provide the English-speaking reader with an exact, literal equivalent of the original Hebrew, Chaldee (Aramaic), or Greek name, and this the reader may expect to find. In each and every case the author has compared his rendering with the rendering given by the onomasticographers above mentioned and, where he differs from them, he is quite prepared to give a satisfactory reason for the difference to anyone competent to form a judgment. Where such different rendering is possible or plausible he has not failed to give it a place with his own.

Hitchcock's compendium of Bible names and their definitions demystifies the meanings of every Bible name from A to Z - thus, it is a superb reference manual for spiritual study. A good supplement to Biblical studies, Hitchcock's book lists the meanings behind the various names. This allows readers to discover the etymological origins of the most famous figures in the Bible, place these names in their proper context, and thus perform readings of the holy scripture from a more informed perspective. Many of the names pertain directly to the qualities of their holders. For example the name Behemoth from the Book of Job simply means 'monstrous', while the name 'Iscaiot' (as in Judas Iscaiot) means 'a man of murder; a hireling'. Other names are however more nuanced - the name 'Baal' means 'master, or lord', contrasting the demonic connotations applied by 17th century Gothic fiction.

Modern English and Hebrew names with an analysis of their meanings and origins.

Easy-to-use and affordably priced, this Bible dictionary and concordance in giant size print puts complete Bible referencing capabilities at both students' and teachers' fingertips.

"A dictionary of the Bible and not of theology. It is intended to elucidate the antiquities, biography, geography, and natural history of the Old Testament, New Testament, and Apocrypha."--Pref.

Baby-naming has become an art form with parents today, but where do parents go to find names and their meanings? The Name Book offers particular inspiration to those who want more than just a list of popular names. From Aaron to Zoe, this useful book includes the cultural origin, the literal meaning, and the spiritual significance of more than 10,000 names. An appropriate verse of Scripture accompanies each name, offering parents a special way to bless their children.

Contains entries that identify people whose names appear in the Bible, arranged alphabetically according to spellings in the New Living Translation, and includes more in-depth profiles of important men and women.
