An original short story by New York Times bestselling author David Baldacci. Frank Becker is a highly sought after, expert assassin. When Becker takes a mysterious job, he has no idea that it will force him to delve deeply into his own past.

Undeterred by obstacles he is determined to complete his assignment. But he may realize too late that his success will permanently alter his future.

From the Sunday Times number one bestselling author, David Baldacci, *The Escape* is the third title in this fast-paced, breathtaking series. CID investigator, John Puller, has returned from his latest case in Florida to learn that his brother, Bobby, on death row at Leavenworth Prison for national security crimes, has escaped. Preliminary investigations show that he may have had help in his breakout. Now he's on the run, and in disguise, and he's the US government's number one target. John Puller has a dilemma. Which comes first, loyalty to his country or to his brother? Bobby has state secrets that certain people will literally kill for. But blood is thicker than water, and the brothers are close although even John does not know for sure what Bobby really did for the government, nor if he's even guilty of his crimes. It becomes swiftly apparent, however, that Bobby's role was powerful and far-reaching. With the help of John's long-time friend and colleague, General Julie Carson, both brothers move closer to the truth from their opposing directions. And this case puts John Puller in a place he thought he'd never be, on the other side of the law, where even his skills as an investigator, and his strength as a fighter, might not be enough to save him. And his brother.

After failing a critical assignment overseas, Will Robie must investigate a murder accusation against his father--but to save him, he'll have to face a violent and deadly fallout in this New York Times bestselling thriller. Will Robie escaped his small Gulf Coast hometown of Cantrell, Mississippi after high school, severing all personal ties, and never looked back. Not until the unimaginable occurs. His father, Dan Robie, has been arrested and charged with murder. Father and son haven't spoken or seen each other since the day Robie left town. In that time, Dan Robie--a local attorney and pillar of the community--has been elected town judge. Despite this, most of Cantrell is aligned against Dan. His guilt is assumed. To make matters worse, Dan has refused to do anything to defend himself. When Robie tries to help, his father responds only with anger and defiance. Could Dan really be guilty? With the equally formidable Jessica Reel at his side, Robie ignores his father's wishes and begins his own desperate investigation into the case. But Robie is now a stranger to his hometown, an outsider, a man who has forsaken his past and his family. His attempts to save his father are met with distrust and skepticism...and violence. Unlike the missions Robie undertook in the service of his country, where his target was clearly defined, digging into his father's case only reveals more questions. Robie is drawn into the hidden underside of Cantrell, where he must face the unexpected and possibly deadly consequences of the long-ago choices made by father and son. And this time, there may be no escape for either of them.

Just when all seems lost, Jack begins to recover in a miraculous turn of events. He rises from what should have been his deathbed, determined to bring his fractured family back together. Struggling to rebuild their lives after Lizzie's death, he reunites everyone at Lizzie's childhood home on the oceanfront in South Carolina. And there, over one unforgettable summer, Jack will begin to learn to love again, and he and his children will learn how to become a family once more.

The #1 bestselling author of *The Collectors* and *Simple Genius* returns with *STONE COLD*...an unforgettable novel of revenge, conspiracy, and murder that brings a band of unlikely heroes face-to-face with their greatest threat. Oliver Stone, the leader of the mysterious group that calls itself the Camel Club, is both feared and respected by those who've crossed his path. Keeping a vigilant watch over our leaders in Washington, D.C., the Camel Club has won over some allies, but it has also earned formidable enemies--including those in power who will do anything to prevent Stone and his friends from uncovering the hidden, secret work of the government. Annabelle Conroy, an honorary member of the Camel Club, is also the greatest con artist of her generation. She has swindled forty million dollars from casino king Jerry Bagger, the man who murdered her mother. Now he's hot on her trail with only one goal in mind: Annabelle's death. But as Stone and the Camel Club circle the wagons to protect Annabelle, a new opponent, who makes Bagger's menace pale by comparison, suddenly arises. One by one, men from Stone's shadowy past are turning up dead. Behind this slaughter stands one man: Harry Finn. To almost all who know him, Finn is a doting father and loving husband who uses his skills behind the scenes to keep our nation safe. But the other face of Harry Finn is that of an unstoppable killer who inevitably sets his lethal bull's-eye on Oliver Stone. And with Finn, Stone may well have met his match. As Annabelle and the Camel Club fight for their lives, the twists and turns whipsaw, leading to a finale that is as explosive as it is shattering. And when buried secrets are at last violently resurrected, the members of the Camel Club left standing will be changed forever. With unrelenting pacing, stunning reversals, and two of the most compelling characters in modern fiction, *STONE COLD* is David Baldacci writing at his breathtaking best.

The President knows it's a perilous, high-risk assignment. If he gives the order, he has the opportunity to take down a global menace, once and for all. If the mission fails, he would face certain impeachment, and the threats against the nation would multiply. So the president turns to the one team that can pull off the impossible: Will Robie and his partner, Jessica Reel. Together, Robie and Reel's talents as assassins are unmatched. But there are some in power who don't trust the pair. They doubt their willingness to follow orders. And they will do anything to see that the two assassins succeed, but that they do not survive. As they prepare for their mission, Reel faces a personal crisis that could well lead old enemies right to her doorstep, resurrecting the ghosts of her earlier life and bringing stark danger to all those close to her.
