Niche tourism –

GeographyCaseStudy.Com

Niche tourism comes from the concept of "Special interest tourism" in the 1980s (Read, 1980, cited by Weiler and Hall, 1992). Special interest tourism is targeted on homogeneous tourists who have similar interests such as ecotourism and photographic tourism (Stebbins, 1982). Most of the niche tourism is based on the idea of sustainability (Hill and Gale, 2009).

can better stand out. Developing a well researched and solution-based niche marketing strategy which actively engages customers is the gateway to building a loyal audience and increasing conversions.

Webinar - How to develop a niche marketing strategy ...

A niche market is a segment of a broader market with its own needs and preferences. Finding a niche market requires researching consumers' preferences, competitors, and potential market changes. Niche markets can be defined based on values, hobbies, location, or quality. Having success within a niche market will welcome more competitors.
