I am a big fan of Kim Paffenroth's first book, Dying to Live: A Novel of Live among the Undead; however, his follow up book did not quite capture me in the same way. I felt that I was split in that I was deeply enraptured by the subplot surrounding Wade, but I was much less enthused in reading about Zoey.

A lone survivor in a zombie-infested world, Jonah Caine wandered for months, struggling to understand the apocalypse in which he lives. Unable to find a moral or sane reason for the horror that surrounds him, he is overwhelmed by violence and insignificance. Then Jonah comes across a group of survivors living in a museum-turned-compound. They are led by Jack, an ever-practical and efficient

military man; and Milton, a mysterious prophet who holds a strange power over the dead. Both share Jonah ' s anguish over the brutality of their world as well as his hope for its beauty. Together with others, they build a community that reestablishes an island of order and humanity surrounded by relentless ghouls. But this newfound peace is short-lived, as Jonah and his band of refugees clash with another group of survivors who remind them that the undead are not the only—nor the most grotesque—horrors they must face.

When the world ended, a handful of survivors banded together in a compound surrounded by the living dead. In a battle against a kingdom of savage prisoners, the survivors lost loved ones, they lost innocence, but still they coped and grew. Twelve years later even bigger surprises lay in wait, for some of the walking dead are beginning to remember who they are, and, even worse, what they ' ve done.

Michael Stanley's *Dying to Live* is the sixth crime novel to feature the humble and endearing Detective Kubu, set against the richly beautiful backdrop of Botswana. "A fantastic read. Brilliant!" -Louise Penny, New York Times bestselling author of *The Long Way Home* A Bushman is discovered dead near the Central Kalahari Game Reserve in Africa. Although the man looks old enough to have died of natural causes, the police suspect foul play, and the body is sent to Gaborone for an autopsy. Pathologist Ian MacGregor confirms the cause of death as a broken neck, but is greatly puzzled by the man ' s physiology. Although he ' s obviously very old, his internal organs look remarkably young. He calls in Assistant Superintendent David " Kubu " Bengu. When the Bushman ' s corpse is stolen from the morgue, suddenly the case takes on a new dimension.

From the author of *Brothers and China in Ten Words*: this celebrated contemporary classic of Chinese literature was also adapted for film by

Zhang Yimou. This searing novel, originally banned in China but later named one of that nation ' s most influential books, portrays one man ' s transformation from the spoiled son of a landlord to a kindhearted peasant. After squandering his family ' s fortune in gambling dens and brothels, the young, deeply penitent Fugui settles down to do the honest work of a farmer. Forced by the Nationalist Army to leave behind his family, he witnesses the horrors and privations of the Civil War, only to return years later to face a string of hardships brought on by the ravages of the Cultural Revolution. Left with an ox as the companion of his final years, Fugui stands as a model of gritty authenticity, buoyed by his appreciation for life in this narrative of humbling power.

Stealing a diamond to save the world is the easy part. Mishael Taylor takes comfort in speed, racing from one mission to another as Allegro, one of the Elite Operative Organization ' s top agents—or from one affair to another, to avoid having to think about the things she ' s seen and done. Cocky, confident, and used to winning, Mishael confronts her greatest challenge when she ' s assigned to steal the priceless Blue Star Diamond from Dutch countess Kristine Marie van der Jagt. Not only must she win a high-stakes race with Arab terrorists and Neo-Nazis, she also has to contend with a target who has somehow managed to steal her heart. Second in the romantic suspense Elite Operatives series, following the smash hit Lethal Affairs.

The New York Times Bestseller! "An absolute page turner, I'm Not Dying with You Tonight is a compelling and powerful novel that is sure to make an impact. " —Angie Thomas, New York Times bestselling author of The Hate U Give An NAACP Image Award Nominee, I'm Not Dying with You Tonight follows two teen girls—one black, one white—who have to confront their own assumptions about racial inequality as they rely on each other to get through the violent race riot that has set their city on fire with civil unrest. Lena has her killer style, her awesome boyfriend, and a plan.

She knows she's going to make it big. Campbell, on the other hand, is just trying to keep her head down and get through the year at her new school. When both girls attend the Friday-night football game, what neither expects is for everything to descend into sudden mass chaos. Chaos born from violence and hate. Chaos that unexpectedly throws them together. They aren't friends. They hardly understand the other's point of view. But none of that matters when the city is up in flames, and they only have each other to rely on if they're going to survive the night. This book is perfect for: Sparking conversations about prejudice and the racial tension that exists in America Parents and educators looking for multicultural and African American books for teens Fans of Nic Stone, Angie Thomas, and Jason Reynolds Additional Praise for *I'm Not Dying with You Tonight*: "A vital addition to the YA race relations canon." —Nic Stone, New York Times bestselling author of *Dear Martin* "An astounding achievement. This novel is an incendiary experience, one that does not shy away from difficult questions about privilege and violence. But Jones and Segal don't hold our hands to provide us easy answers; this is a book meant to be devoured in a single sitting and discussed for years to come." —Mark Oshiro, author of *Anger is a Gift* "*I'm Not Dying With You Tonight* is a powerful examination of privilege, and how friends are often found in surprising places. Jones and Segal have penned a page-turning debut, as timely as it is addictive." —David Arnold, New York Times bestselling author of *Mosquitoland* and *Kids of Appetite*
