administering the lethal injection face criticism on ethical grounds and accusations of murder. Initially, ending a terminally ill patient's life seems justifiable; the person will face death sooner or later. However, when religion and doctors' roles are considered, euthanasia is much closer to murder than

Euthanasia is the Greek word for easy death, but is often referred to as mercy killing. There are two main forms of euthanasia. Voluntary euthanasia is when a terminally ill patient expresses the wish to be euthenised. Active euthanasia is when a Doctor decides that it is in the best interest of the patient to be euthenised
