Every Home A Distillery
Distilling alcohol for consumption or fuel NOT for retail is perfectly legal so long as you own a Rectifiers license. These are free to apply for and you MUST have one if you own a still or plan to have one. Basically apply with drawings of your still, where you use it and what you want to produce.

UK distilling IS legal!! - Home Distiller
Home made spirits and liqueurs are as easy to produce as any other home brewed drink. Using similar equipment to wine making you can produce high quality, high alcohol drinks which are almost indistinguishable from their commercial counterparts and at a fraction of the price.. The first hurdle to get over is the question of legitimacy. In the UK it is not legal to distil alcohol without a ...
