Katie Alender is the acclaimed author of several novels for young adults, including the Bad Girls Don't Die series; Marie Antoinette, Serial Killer; and Famous Last Words. A graduate of the Florida State University Film School, Katie now lives in Los Angeles with her husband, her daughter, and her very spoiled dog, Winston.

Famous Last Words: Amazon.co.uk: Alender, Katie: Books

Famous Last Words is about a girl named Willa, that just moved to LA with her mom and her new stepfather. Her new house is so cool, until she finds it's haunted...and with a Hollywood killer on the streets reenacting famous movie murder scenes, this might be so perfect after all. I really enjoyed this book, I couldn't put it down.

Famous Last Words Summary | SuperSummary

Famous Last Words By: Katie Alender. Nothing glittered. I'd never been to Hollywood before, but like any other person with eyeballs and a television, I'd seen it a thousand times. I expected wide, palm-tree-lined roads and mansions that overflowed with fabulous movie stars.

55 quotes from Katie Alender: 'That's the pathetic thing about high school. Everyone tries so hard to be something they aren't. It's gotten so I don't know who I am, so how can I even try to be who I am, much less who I'm not? My problem is that I don't even fit in with the misfits.

Katie Alender Quotes (Author of Bad Girls Don't Die)

Katie Alender is the acclaimed author of several novels for young adults, including the Bad Girls Don't Die series; Marie Antoinette, Serial Killer; and Famous Last Words. A graduate of the Florida State University Film School, Katie now lives in Los Angeles with her husband, her daughter, and her very spoiled dog, Winston.

Hollywood history, mystery, murder, mayhem, and delicious romance collide in this unputdownable thriller from master storyteller Katie Alender. Now in paperback! Willa is freaking out. It seems like she's seeing things. Like a dead body in her swimming pool. Frantic messages on her walls. A reflection that is not her own. It's almost as if someone -- or something -- is trying to send her a message. Meanwhile, a killer is stalking Los Angeles -- a killer who reenacts famous movie murder scenes. Could Willa's strange visions have to do with these unsolved murders? Or is she going crazy? And who can she confide in? There's Marnie, her new friend who may not be totally trustworthy. And there's Reed, who's ridiculously handsome and seems to get Willa. There's also Wyatt, who's super smart but unhealthy obsessed with the Hollywood Killer. All Willa knows is, she has to confront the possible-ghost in her house, or she just might lose her mind . . . or her life. Acclaimed author Katie Alender puts an unforgettable twist on this spine-chilling tale of murder, mystery, mayhem -- and the movies.

In the final days of the Second World War, Hugh Selwyn Mauberley scrawls his desperate account on the walls and ceilings of his ice-cold prison high in the Austrian Alps. Officers of the liberating army discover his frozen, disfigured corpse and his astonishing testament - the sordid truth that he alone possessed. Fascinated but horrified, they learn of a dazzling array of characters caught up in a scandal and political corruption.Famous Last Words is part-thriller, part-horror story; it is also a meditation on history and the human soul and it is Findley's fine achievement that he has combined these elements into a web that constantly surprises and astounds the reader.

Colette is thrilled in Paris for the first time. But a series of gruesome murders are taking place around the city. The murder victims are all descendants of people who brought about Marie Antoinette's beheading. The queen's ghost has been awakened, and now she's wreaking her bloodthirsty revenge. And Colette may just be one of those descendants...

Delia's new house isn't just a house. Long ago, it was the Piven Institute for the Care and Correction of Troubled Females -- an insane asylum nicknamed "Hysteria Hall." However, many of the inmates were not insane, just defiant and strong willed. Kind of like Delia herself. But the house still wants to keep "troubled" girls locked away. So, in the most horrifying way, Delia becomes trapped. And that's when she learns that the house is also haunted. Ghost girls wander the hallways in their old-fashioned nightgowns. A handsome ghost boy named Theo roams the grounds. Delia learns that all the spirits are unsettled and full of dark secrets. The house, too, harbors shocking truths within its walls -- truths that only Delia can uncover, and that may set her free. And she'll need to act quickly -- before the house's power overtakes everything she loves. Katie Alender brings heart-pounding suspense, gorgeous writing, and a feminist twist to this tale of memories and madness.

Winner of the Edgar Award for Young Adult Fiction! The other orphans say Margot is lucky. Lucky to survive the horrible accident that killed her family. Lucky to have her own room because she wakes up screaming every night. And finally, lucky to be chosen by a prestigious family to live at their remote country estate. But it wasn't luck that made the Suttons rescue Margot from her bleak existence at the group home. Margot was handpicked to be a companion to their silent, mysterious daughter, Agatha. At first, helping with Agatha--and getting to know her handsome younger brother--seems much better than the group home. But soon, the isolated house begins playing tricks on Margot's mind, making her question everything she believes about the Suttons . . . and herself. Margot's bad dreams may have stopped when she came to live with Agatha -- but the real nightmare has just begun.

A page-turning, spine-chilling young adult murder mystery about surviving the ghosts around us. Alexis thought she led a typically dysfunctional high school existence. Dysfunctional like her parents' marriage. Or her doll-crazy twelve-year-old sister, Kasey. Or even like her own anti-social, anti-cheerleader attitude. When a family fight results in some tearful sisterly bonding, Alexis realizes that her life is creeping from dysfunction into danger. Kasey is acting stranger than ever: her blue eyes go green, sometimes she uses old-fashioned language, and she even loses track of chunks of time, claiming to know nothing about her strange behavior. Their old house is changing, too. Doors open and close by themselves. Water boils on the unlit stove, and an unplugged air conditioner turns the house cold enough to see their breath in. Alexis wants to think that it's all in her head, but soon, what she liked to think of as silly parlor tricks are becoming life-threatening: to her, her family, and to her budding relationship with the class president. Alexis knows she's the only person who can stop Kasey!but what if that green-eyed girl isn't even Kasey anymore?

It's been three months since Alexis helplessly witnessed Lydia Small's violent death, and all she wants is for her life to return to normal. But normal people don't see decaying bodies haunting photographs. Normal people don't have to deal with regular intrusions from Lydia's angry ghost, sometimes escalating to terrifying attacks. At first, it seems that Lydia wants revenge on Alexis alone. But a girl from school disappears one night, and Alexis spots one of Lydia's signature yellow roses lying on the girl's dresser the next day. Soon, it becomes clear that several of Alexis's friends are in danger, and that she's the only person who can save them. But as she tries to intervene, Alexis realizes that her enemy is a much more powerful ghost than she's ever faced before... and that its fate is tied to hers in ways she couldn't possibly imagine. Not even in her worst nightmares.

Alexis is the last girl you'd expect to sell her soul. She already has everything she needs--an adorable boyfriend, the perfect best friend, and a little sister who's finally recovering after being possessed by an evil spirit, then institutionalized. Alexis is thrilled when her sister joins a club; new friends are just what Kasey needs. It's strange, though, to see how fast the girls in The Sunshine Club go from dorky and antisocial to gorgeous and popular.

During a summer internship as an obituary writer for her local northern New Jersey newspaper, 16-year-old Samantha D'Angelo makes some momentous realizations about politics, ethics, her family, romance and most importantly!herself.

"Find Me is a thriller that keeps picking up speed. I needed to follow this tough heroine through grim revelations to find out if everything was going to be OK!" Jay Asher, NYT bestselling author of Thirteen Reasons Why A girl is dead! A killer's closing in! And two little words are the only clue! "Find Me". These are the words that Wick Tate finds in Tessa Wayne's diary. And now Tessa hasbeen found -- dead. Does someone out there really expect Wick to uncover the truth about her death? An expert computer hacker, Wick has the skills for the job, but with the threat of her ex-con dad returning, the detective hunting him sniffing around and new foster parents to keep happy, getting involved with a murder case is the last thing she wants to do. Until her little sister, Lily, is the next target. Foster child. Daughter of a felon. Loner hacker-girl. Wick has a bad attitude and sarcasm to spare. And now she's going to find this killer, no matter what it takes. Because it just got personal.
