From Adam and Eve to the Apostle John, prayer is found throughout the entire counsel of God. Most of us know prayer is speaking to God, but it is also communion with God - the experience of fellowship that allows us to draw near to Him as we acknowledge our great need for His presence and power in our lives. As children of God we have access to the ear of God, and this is critically important to the life of faith. Even with this knowledge of the power of prayer, many struggle to take advantage of this vital spiritual discipline. We often act as though we are resolute enough to resist temptation, strong enough to fight the attacks of Satan, savvy enough to navigate the ways of the world, and spiritual enough to figure out the Word of God on our own. But God never intended for us to live this way.If you long to grow closer to your Savior by making prayer a priority in your life, then Growing Through Prayer is for you.In this 8-week Love God Greatly Bible study, we'll spend time in God's Word seeking answers to questions like: "What is prayer?" What would your world look like if you prayed every day? Every believer who sincerely desires an intimate relationship with God must discover the transformational power of prayer. This one-hundred-day devotional, inspired by Mike Bickle's best-selling book Growing in Prayer, will give readers daily inspiration, knowledge, and guidance to help them cultivate deeper intimacy with God through prayer. Each day contains a quote on prayer from a classic Christian author, a passage from a chapter in Growing in Prayer for reflection, a Scripture verse or reference, a prayer starter, a suggestion for practical application of the principle being taught, and lines for journaling. This devotional will help energize a prayer life that has become routine, stale, or nonexistent and will be a welcome resource for believers who desire to grow in prayer.

Prayer is an integral aspect of the love of God and neighbor, which to many is the ultimate goal of a fulfilling Christian life. However, many want to find a way to pray but are unable to understand or justify prayer theologically. Still others believe that God will not support them in the midst of cosmic hurt. This book addresses these concerns.

Prayer is at the heart of the Christian life. Given that we are weak and even sinful human beings, how can it be that God has anything to do with us? What does it mean to have a personal relationship with God? Why is God so silent and hidden? How do we grow in prayer? Personal Prayer: A Guide for Receiving the Father's Love brings the depth of human experience together with the Catholic tradition of prayer to present the path to an intimate and vulnerable relationship with God. Experienced spiritual directors Fr. Thomas Acklin, OSB, and Fr. Boniface Hicks, OSB, explore the many forms of Catholic prayer and demonstrate that vulnerability is essential to growing in relationship with God. Rich with the wisdom of Scripture, Catholic teaching, and the writings of the saints, Personal Prayer is an exhaustive guide for priests, religious, and laity desiring to receive the Father's love in a profoundly personal way.
