Thomas Insel, the director of the National Institute of Mental Health, wonders: Could we do the same for depression and schizophrenia? The first step in this new avenue of research, he says, is a crucial reframing: for us to stop thinking about "mental disorders" and start understanding them as "brain disorders."

Insel, the only novel by the surrealist master Mina Loy, is a book like no other—about an impossible friendship amid the glamorous artistic bohemia of 1930s Paris. German painter Insel is a perpetual sponger and outsider—prone to writing elegant notes with messages like "Am starving to death except for a miracle—three o'clock Tuesday afternoon will be the end"—but somehow writer ...
