We've got you covered for Principles of Management with John Schermerhorn's Management 12th Edition. From new cases and self-assessments to the Fast Company Video Series and Management Weekly Updates, the text and its comprehensive suite of resources promote critical thinking and active learning. Thoroughly updated while maintaining its trusted, balance of concepts and applications, Management 12th Edition allows you to present the most current material, help students apply theory and show relevance of management concepts in the real world—so your student will succeed in your course and beyond.

Schermerhorn, Management 14e continues to offer the same balanced theory approach as with previous editions. Students need an active and engaged learning classroom environment that brings personal meaning to course content and the instructor's course objectives. Schermerhorn communicates with students through rich, timely features and cases that bring management topics, theories, and concepts to life. The underlying goal is to translate foundation theories into lasting tools for students as they move beyond the classroom where their skills will be put to the test.

Exploring Management supports teaching and learning of core management concepts by presenting material in a straight-forward, conversational style with a strong emphasis on application. With a focus on currency, high-interest examples and pedagogy that encourages critical thinking and personal reflection, this text is the perfect balance between what students need and what instructors want.

The new edition of Organizational Behavior includes a rich array of exercises, cases, and applied materials such as the Kouzes and Posner Leadership Practices Inventory and Pfeiffer Annual Edition exercises available in the OB Skills Workbook. It also focuses more on the hot topic of ethics throughout the entire book to ensure it is contemporary and engaging. The text also introduces two brand new key features "Finding the Leader in You" and "Taking it Online". "Finding the Leader in You", discusses leading in the workplace in a personal and applied way. The goal is to make the material more relevant and applicable to today's readers. The "Taking it Online" feature will take the reader from the book to an online case, activity, self-assessment, or video clip of the leader they are reading about.

This text includes a rich array of exercises, cases, and applied materials such as the Kouzes and Posner Leadership Practices Inventory and Pfeiffer Annual Edition exercises. It also offers a greater focus on the hot topic of ethics throughout the entire book to ensure it is contemporary and engaging.É

Eldenburg's Management is an introductory text that focuses on presenting content in an easy to understand way that encourages students to think critically and draw connections between theory and practice. This new seventh edition has a strengthened focus on technology and features have been updated to help students further consolidate their knowledge. This includes various forms of revision materials such as auto-graded knowledge-check questions and self-skill assessment. There is also a broad variety of concise case studies, including new ones with a strategic focus, which enable instructors to have thought-provoking and engaging tutorials. An exciting addition to the interactive e-text are the new ANZ videos that feature a diverse group of management thought-leaders who give insights and 'tales from the front.' This will provide supplementary content for lectures or serve as pre-work for a flipped classroom.

Principles of Management: Text and Cases introduces students to the fundamentals of management through a balanced blend of theory and practice. The opening vignettes and cases depict real-world situations and problems that managers face while highlighting the management practices of successful Indian and foreign companies. Samples of a leave policy, a strategy and action plan for human resource management, an application blank, and a code of ethics are appended to a few chapters to further illustrate the way organizations function. In addition to the concepts, the book also delves into the various academic perspectives that have evolved over time to provide the readers an integrated view of different approaches to management.
