Don't worry—there's no need to stress about JLPT test prep! As the founder of JLPTBootCamp.com—a test prep website with more than 300,000 annual visitors—Clayton MacKnight has helped tens of thousands of students to pass the JLPT N5 exam. Now, he's distilled his study resources and tips into a handy must-have volume for anyone prepping for this important language test. MacKnight's complete study package fully prepares the exam-taker by providing: Clear and simple grammar lessons with sample sentence patterns Printable vocabulary, Hiragana, Katakana, and Kanji flash cards Over 300 sample test questions Three printable practice tests (all with answer keys and free online audio recordings for the listening portions) Exam-takers can stop worrying and take the uncertainty out of exam prep because the JPLT Study Guide shows them exactly what to expect—and how to pass the test with flying colors! The Japanese Language Proficiency Test (JLPT) is the standardized test taken by everyone who wants to study or work in Japan.

Learn over 2,000 Japanese Kanji characters with this user-friendly Japanese language-learning book. This unique Kanji study guide provides a comprehensive introduction to all the Kanji characters on the Japanese Ministry of Education's official Joyo ("General Use") list—providing detailed notes on the historical development of each character as well as all information needed by students to read and write them. As fascinating as it is useful, this is the book every Japanese language learners keeps on his or her desk and visits over and over. This Kanji book includes: Clear, large-sized entries All of the General Use Joyo Kanji Characters Japanese readings and English meanings stroke-count stroke order usage examples mnemonic hints for easy memorization The components which make up each character are detailed, and the Kanji are graded in difficulty according to Ministry of Education guidelines, allowing students to prioritize the order in which the Kanji are learned and track their progress. This book is essential to anyone who is planning to take the official Japanese Language Proficiency Test (JLPT) and will appeal to beginning students as well as those who wish to attain higher-level mastery of the Japanese language. It is the only book that also provides historical and etymological information about the Japanese Kanji. This latest edition has been updated to include all of the 2,136 Kanji on the expanded Joyo list issued by the Japanese government in 2010. Many entries have been revised to include the most recent research on character etymologies.

Updated to include the 196 new kanji approved by the Japanese government in 2010 as "general-use" kanji, the sixth edition of this popular text aims to provide students with a simple method for correlating the writing and the meaning of Japanese characters in such a way as to make them both easy to remember. It is intended not only for the beginner, but also for the more advanced student looking for some relief from the constant frustration of forgetting how to write the kanji, or for a way to systematize what he or she already knows. The author begins with writing the kanji because—contrary to first impressions—it is in fact simpler than learning how to pronounce them. By ordering the kanji according to their component parts or "primitive elements," and then assigning each of these parts a distinct meaning with its own distinct image, the student is led to harness the powers of "imaginative memory" to learn the various combinations that make up the kanji. In addition, each kanji is given its own key word to represent the meaning, or one of the principal meanings, of that character. These key words provide the setting for a particular kanji's "story," whose protagonists are the primitive elements. In this way, one is able to complete in a few short months a task that would otherwise take years. Armed with the same skills as Chinese or Korean students, who know the meaning and writing of the kanji but not their Japanese pronunciations, one is then in a much better position to learn the readings (which are treated in a separate volume). Remembering the Kanji has helped tens of thousands of students advance towards literacy at their own pace, and to acquire a facility that traditional methods have long since given up on as all but impossible for those not raised with the kanji from childhood.

"The Japanese language uses a set of symbols called 'hiragana' (to spell Japanese words), 'katakana' (to spell foreign words), and 'kanji' (to represent entire words or names). Over the course of BOOK 1, we will teach you groups of hiragana piece-by-piece to gradually build up your understanding and familiarity."--Introduction.

Essential Japanese Kanji uses a natural approach to learning the most basic kanji encountered in everyday situations in Japan. This new edition is packed with fun quizzes and useful exercises for those wishing to improve their Japanese ability. It has been repackaged in a more compact, value-for-money size while losing none of the content that has made it a long-selling favorite. Key features of Essential Japanese Kanji include: Introductory quizzes to introduce everyday situations in which the Kanji are used A vocabulary section to help you understand the readings and meanings of each Kanji New character charts presenting all the Kanji clearly and systematically Definitions, readings, stroke orders and compounds for each character Practice sections help you to improve your skills Advanced Placement Exam practice questions follow the format of the College Board exam Everyday tasks like finding a street address or buying a train ticket in Japan require a basic working knowledge of kanji—the Japanese system of writing based on Chinese characters. Essential Japanese Kanji, teaches you the kanji you'll need in everyday situations in lessons prepared by teachers from the prestigious University of Tokyo.

Want to speak Japanese but don't know where to start? This book is for you! Don't waste money buying ten different books when you can learn everything you need in this one book. The Japanese-Language Proficiency Test (??????? Nihongo N?ryoku Shiken), or JLPT, is a standardized criterion-referenced test to evaluate and certify Japanese language proficiency for non-native speakers, covering language knowledge, reading ability, and listening ability. You can register for any level you wish. The fastest way to learn the kanji is to use this kanji study tools. Not only that, but you also need to be sure to use them in a very particular manner. These Flashcards will keep you from forgetting what you learn.

Since all Japanese writing uses kanji, you can't really read Japanese without knowing kanji.Moreover, to pass the N5, you will need to know about 100 kanji. To pass the N4, you will need to know about 300 kanji. The Level N3 kanji list is expected to be about 650 kanji in total.For the JLPT N2 Test. The N2 is the second-to-hardest level of the Japanese Language Proficiency Test (JLPT). To pass the N2, you will need to know about 1,000 kanji The N1 is the most difficult level of the Japanese Language Proficiency Test (JLPT). To pass JLPT N1, you will need to know about 2,000 kanjiThis complete Kanji flashcards book cover all Kanji you need to know to pass all level of JLPT exam.

This is a comprehensive, self-study workbook for learning Japanese characters. Mastering Japanese Kanji can help you greatly reduce the time and effort involved in learning to read Japanese and write Japanese. It does so by introducing a method that is both effective and easy to use in memorizing the meanings and pronunciations of Kanji—the array of characters that are used in the Japanese language to symbolize everything from abstract ideas to concrete nouns. Learning any of the kanji is a two step process, requiring that you remember both the visual aspect of a character (so you can recognize it when you see it) and the aural aspect (so you will know how to say and, thus, read it). The method employed by Mastering Japanese Kanji will show you how to tackle both of these aspects from the outset, and by so doing enable you to immediately get down to the practical (and fun!) business of recognizing and reading kanji on everything from street signs to newspapers. By the time you finish this book, in fact you will be able to boast of a Japanese vocabulary numbering in the thousands of words. Key features: Corresponding CD-ROM helps to reinforce the written material Teaches the 200 most common kanji and the hundreds of compounds that use include them. Unique, specially-designed drawings and entertaining stories help you learn more quickly. Sample sentences, along with common words and compounds, expand your vocabulary by showing each kanji used in context. Stroke—order diagrams show the correct way to write each chapter. Chapter and cumulative review exercises help ensure master of what you've learned. Complete indexes show Japanese readings and English meanings for all Kanji. Contents of the CD—ROM: Stroke order animations for all 200 kanji characters. Native speaker audio recordings of all: Kanji characters. Common words and compounds. Sample sentences.

'Japanese for Busy People' is a concise course for students who want to learn natural spoken Japanese as effectively as possible in a limited amount of time. This workbook contains illustrated exercises that build on and reinforce skills acquired through study of the main text.
