From Holly Black and Cassandra Clare comes the second installment in the New York Times bestselling series that defies what you think you know about the worlds of good and evil. Callum Hunt's summer break isn't like other kids'. His closest companion is a Chaos-riden wolf, Havoc. His father suspects him of being secretly evil. And, of course, most kids aren't heading back to the magical world of the Magisterium in the fall. It's not easy for Call . . . and it gets even harder after he checks out his basement and discovers that his dad might be trying to destroy both him and Havoc. Call escapes to the Magisterium -- but things only intensify there. The Alkahest -- a copper gauntlet capable of separating certain magicians from their magic -- has been stolen. And in their search to discover the culprit, Call and his friends Aaron and Tamara awaken the attention of some very dangerous foes -- and get closer to an even more dangerous truth. As the mysteries of the Magisterium deepen and widen, bestselling authors Holly Black and Cassandra Clare take readers on an extraordinary journey through one boy's conflict -- and a whole world's fate. Praise for Magisterium Book One: The Iron Trial: \* "A thrilling coming-of-age story that embraces fantasy tropes while keeping readers guessing." -- Publishers Weekly, starred review "A promising beginning to a complex exploration of good and evil, as well as friendship's loyalty." -- Kirkus Reviews "The Iron Trial is a fun, heroic narrative. . . . A delicious must-read." -- The Globe & Mail "This is an incredible book. . . . Once you've started reading, it's hard to put the book down." -- The Guardian

A generation ago, Constantine Madden came close to achieving what no magician had ever achieved: the ability to bring back the dead. He didn't succeed . . . but he did find a way to keep himself alive, inside a young child named Callum Hunt. Now Call is one of the most feared and reviled students in the history of the Magisterium, thought to be responsible for a devastating death and an ever-present threat of war. As a result, Call has been imprisoned and interrogated. Everyone wants to know what Constantine was up to--and how he lives on. But Call has no idea. It is only when he's broken out of prison that the full potential of Constantine's plan is suddenly in his hands . . . and he must decide what to do with his power. In this spellbinding fourth book of Magisterium, bestselling authors Holly Black and Cassandra Clare take us beyond the realm of the living and into the dangers of the dead.

Callum Hunt's life has fallen apart. His friend is gone. The spy has escaped. His secret is out. He is facing an existence behind bars, banished from the rest of the magical community for what he is - for what he might become. But a shocking revelation has promised freedom - at a cost. Will he stay strong, and faithful to his friends and teachers? Or take the risk, and destroy everything he's ever loved? This fourth year at the Magisterium will be unlike anything else that has gone before . . . 'I can't wait to read more of this series!' - Rick Riordan

Most kids would do anything to pass the Iron Trial. Not Callum Hunt. He wants to fail. All his life, Call has been warned by his father to stay away from magic. If he succeeds at the Iron Trial and is admitted into the Magisterium, he is sure it can only mean bad things for him. So he tries his best to do his worst - and fails at failing. Now the Magisterium awaits him. It's a place that's both sensational and sinister, with dark ties to his past and a twisty path to his future. The Iron Trial is just the beginning, for the biggest test is still to come . . . From the remarkable imaginations of bestselling authors Holly Black and Cassandra Clare comes a heart-stopping, mind-blowing, pulse-pounding plunge into the magical unknown.
