In a refreshingly straightforward style, John Maxwell shares unique insights into what it means to be successful. And he reveals a definition that puts genuine success within your reach yet motivates you to keep striving for your dreams.

Everything you need to know about self-publishing in one handy volume. More than a million books are self-published each year, and most disappear into the ether, seen by only a few. So, how do you self-publish your book and have it make a ripple in this giant self-publishing pond? Designed for use by both the beginner and moderately experienced person, The Self-Publishing Road Map offers practical guidance to make your self-publishing journey a success. The book discusses how to ready your book for publication, where and how to publish online, how to get reviews, and how to market your title. This book gives you all the steps you need to successfully complete your self-publishing goals. This isn't a get-rich-quick book, or a promise of untold riches. This is practical advice that pays off what you put into it. If you're ready to start your self-publishing journey, or already started and want somebody to ride shotgun and navigate, this is the book for you. Buckle up. It's time to go!

Defining success is a difficult task. Most people equate it with wealth, power, and happiness. However, true success is not a thing you acquire or achieve. Rather, it is a journey you take your whole life long. In a refreshingly straightforward style, John Maxwell shares unique insights into what it means to be successful. And he reveals a definition that puts genuine success within your reach yet motivates you to keep striving for your dreams. I want to help you discover your personal road map for success, teach you what it means to be on the success journey, answer many of your questions, and equip you with what you'll need to change yourself and keep growing. - John C. Maxwell

A novel.

This is the only global roadmap that identifies the technical and manufacturing challenges associated with the development and expansion of commercial markets for ceramics and glass. Featuring presentations by industry leaders at the 1st International Congress on Ceramics (ICC) held in 2006, it suggests positive, proactive ways to address these challenges. The ICC Global Roadmap contains the following content: 1) Summary papers prepared by the invited speakers before the meeting 2) A detailed account of the presentation of each invited speaker written by an editor who attends the presentation 3) A summary account and future recommendations for the industry on each topic covered written by the board and the president of this meeting, Dr. Stephen Freiman (National Institutes of Standards and Technology) 4) The CDROM accompanying the book contains all of the above as well as pdfs of the presentations for non-invited speakers, including posters presented and discussed.

The rise of e-books, loss of bookstores, disappearance of the big publishers' midlists, improvements in self-publishing technology and the advent of social media have turned the book business on its head. One thing has remained the same. Novels must be promoted and marketed if an audience is to find them. Although it has never been easier to get a book published, it has also never been harder to get a book sold. Providing guidelines on how to drive book sales to a whole new level, this up-to-date book is crammed with tips and tricks of the book trade gathered from the authors' own experiences as an author.

New York Times best-selling author, coach, and speaker John Maxwell provides insight into the meaning of true success and reveals three keys to attaining it.

A guide for professional women struggling with burnout analyzes the social and psychological factors that affect a woman's career and relationships, and offers strategies for achieving a healthy personal and professional balance.
