On Sal Mal Lane examines the tensions in Sri Lanka in the years leading up to the Civil War (1979-1983) through the lens of the inhabitants of Sal Mal Lane, especially the children. I found that this was a really effective way to tell the story and while there are dark times there are also moments when kids are just being kids and discovering who they are and who they hope to become.

In the tradition of In the Time of the Butterflies and The Kite Runner, a tender, evocative novel about the years leading up to the Sri Lankan civil w

One of Reader's Digest Best Summer Reads (US). Set against the backdrop of the Sri Lankan civil war, Ru Freeman's epic novel explores the lives of the diverse families that live on Sal Mal Lane and the heartbreaking ways this once harmonious community turns on one another with the country on the brink of war. On the day the Herath family moves in, Sal Mal Lane is a quiet street, disturbed only by the cries of the children whose triumphs and tragedies sustain the families that live there. As each neighbour adapts to the newcomers in different ways, the children fill their days with cricket matches, romantic crushes, and small rivalries. But when the tides of civil war begin to turn towards the neighbourhood, their differences ignite in ways no one could have imagined. As the stability of their neighborhood is threatened by clashing political beliefs and prejudices, the children of the community are forced to watch their parents and friends turn against one another. Seen through the children's eyes, the events on Sal Mal Lane come to mirror the course of modern Sri Lanka at its most violent and volatile. A powerful, evocative work, On Sal Mal Lane masterfully illuminates the origins of this war and explores the lengths family will go to protect one another.

Sri Lanka, 1979. The Herath family has just moved to Sal Mal Lane, a quiet street disturbed only by the cries of the children whose triumphs and tragedies sustain the families that live there. As the neighbors adapt to the newcomers in different ways, the children fill their days with cricket matches, romantic crushes, and small rivalries. The innocence of the children--a beloved sister and her overprotective siblings, a rejected son and his twin sisters, two very different brothers--contrasts sharply with the petty prejudices of the adults charged with their care. But the tremors of civil war are mounting, and it is only a matter of time before the conflict engulfs them all and the sleepy neighborhood erupts in violence. Tender and heartbreaking, On Sal Mal Lane is an evocative story of what was lost to a country and its people.

oSensual and seductive, Paris Was the Placepulls you in and doesn't let you go. Find your nearest chair and start reading. With her poet's eye, Conley has woven a vivid, masterful tale of love and its costs.o -Lily King, author of Father of the Rain When Willie Pears begins teaching at a center for immigrant girls who are all hoping for French asylum, she has no idea it will change her life. As she learns their stories, the lines between teaching and mothering quickly begin to blur. Willie has fled to Paris to create a new family for herself by reaching out to her beloved brother, Luke, and her straight-talking friend, Sara. She soon falls for Macon, a charming, passionate French lawyer, and her new family circle seems complete. But Gita, a young girl at the detention center, is determined to escape her circumstances, no matter the cost. And just as Willie is faced with a decision that could have potentially dire consequences for both her relationship with Macon and the future of the center, Luke is taken with a serious, as-yet-unnamed illness, forcing Willie to reconcile with her father and examine the lengths we will go to for the people we care the most about. In Paris Was the Place, Conley has given us a beautiful portrait of on how much it matters to belong- to a family, to a country, to any one place, and how this belonging can mean the difference in our survival. This is a profoundly moving portrait of some of the most complicated and glorious aspects of the human existence- love and sex and parenthood and the extraordinary bonds of brothers and sisters. It is a story that reaffirms the ties that bind us to one another.

Shortlisted for the Dylan Thomas Prize "Brave...Brilliant...This is a book that makes one kneel before the elegance of the human spirit and the yearning that is at the essence of every life." -The New York Times Book Review "One of the best books I have read in years." -Colm Toibin Two and a half decades into a devastating civil war, Sri Lanka's Tamil minority is pushed inexorably towards the coast by the advancing army. Amongst the evacuees is Dinesh, whose world has contracted to a makeshift camp where time is measured by the shells that fall around him like clockwork. Alienated from family, home, language, and body, he exists in a state of mute acceptance, numb to the violence around him, till he is approached one morning by an old man who makes an unexpected proposal: that Dinesh marry his daughter, Ganga. Marriage, in this world, is an attempt at safety, like the beached fishing boat under which Dinesh huddles during the bombings. As a couple, they would be less likely to be conscripted to fight for the rebels, and less likely to be abused in the case of an army victory. Thrust into this situation of strange intimacy and dependence, Dinesh and Ganga try to come to terms with everything that has happened, hesitantly attempting to awaken to themselves and to one another before the war closes over them once more. Anuk Arudpragasam's The Story of a Brief Marriage is a feat of extraordinary sensitivity and imagination, a meditation on the fundamental elements of human existence--eating, sleeping, washing, touching, speaking--that give us direction and purpose, even as the world around us collapses. Set over the course of a single day and night, this unflinching debut confronts marriage and war, life and death, bestowing on its subjects the highest dignity, however briefly.

The year is 1861. Hervé Joncour is a French merchant of silkworms, who combs the known world for their gemlike eggs. Then circumstances compel him to travel farther, beyond the edge of the known, to a country legendary for the quality of its silk and its hostility to foreigners: Japan.There Joncour meets a woman. They do not touch; they do not even speak. And he cannot read the note she sends him until he has returned to his own country. But in the moment he does, Joncour is possessed.

I didn't invite him. The idea was all my father's, my seventy-four-year-old father who had never been outside America and who suddenly thought that Sri Lanka, where I was a Peace Corps volunteer, would be a jolly place to visit. When John Toner, a retired Cleveland judge, decided on a whim in April 1990 to spend a month with his son in war-torn Sri Lanka, he was as much a stranger to his seventh--and last--child as he was to the hardships of life in a Third World country. Serendib chronicles the journey that follows as a father and son who had never been alone together live in close quarters, in the poorest of conditions--and replace awkwardness and distance with understanding and love. Along the way are the stories of John learning to eat with his fingers, bathing in a river alongside cows, and trading his wool trousers for a traditional sarong. We witness his coming face-to-face with a Hindu priest in a loincloth and his first encounter with the everyday violence of a country at war with itself. John watches with awe as students learn without computers, books, or even paper; he bonds with Sri Lankan children and learns, once again, how to give and how to play. Each new experience pushes Toner's father to face his fears--and brings him closer to his youngest son. Serendib offers a colorful, humorous, and touching account of multiple discoveries--of an old man exploring deep within himself, of a father and son finding each other, and of two cultures coming together on uncommon ground and awakening to the joy and hope of the life they share.

Sri Lanka Style showcases 30 of the finest traditional and modern dwellings in Sri Lanka. Reflecting its location and status as a hub of Indian Ocean trade from time immemorial, the tropical island of Sri Lanka has always been open to the movements and patters of world culture. Indigenous architects and cultural traditions, colonial incursions and the vagaries of living in a tropical environment have combined to produce a distinctive Sri Lankan architectural style: thick lime-washed walls, tall windows and doors, terracotta or granite tile floors, open pavilions and verandas, courtyard gardens, elaborately carved furniture and vibrant hand-looms. The Sri Lankan homes vary from private homes to retreats and resorts, all designed by the island's most creative architects and interior designers including some by the world-renowned architect Geoffrey Bawa that have never been seen before. These works demonstrate the essentials of the Sri Lankan spaces open to the elements and the natural use of space and decor, contributing to a palpable sense of peace and discipline. In addition, there are practical design ideas that can be applied to any tropical locale. Photographed entirely on location, Sri Lanka Style is an inspirational source book of contemporary tropical style.

In the tradition of In the Time of the Butterflies and The Kite Runner, a tender, evocative novel about the years leading up to the Sri Lankan civil war \* A Library Journal Best Indie Fiction of 2013 \* A Largehearted Boy Best Book of the Year \* On the day the Herath family moves in, Sal Mal Lane is still a quiet street, disturbed only by the cries of the children whose triumphs and tragedies sustain the families that live there. As the neighbors adapt to the newcomers in different ways, the children fill their days with cricket matches, romantic crushes, and small rivalries. But the tremors of civil war are mounting, and the conflict threatens to engulf them all. In a heartrending novel poised between the past and the future, the innocence of the children--a beloved sister and her overprotective siblings, a rejected son and his twin sisters, two very different brothers--contrasts sharply with the petty prejudices of the adults charged with their care. In Ru Freeman's masterful hands, On Sal Mal Lane, a story of what was lost to a country and her people, becomes a resounding cry for reconciliation.

"This is a fast, fresh, often hilarious first novel, by one of the remarkably talented young African writers who are rapidly making everyone else look stale" The Times Kingsley is fresh out of university, eager to find an engineering job so he can support his family and marry the girl of his dreams. Being the opars of the family, he is entitled to certain privileges - a piece of meat in his egusi soup, a party to celebrate his graduation. But times are hard in Nigeria and jobs are not easy to come by. For much of his young life, Kingsley believed that education was everything, that through wisdom, all things were possible. But when a tragedy befalls his family, Kingsley learns the hardest lesson of all: education may be the language of success in his country, but it is money that does the talking. In desperation he turns to his uncle, Boniface-aka Cash Daddy-an exuberant character who suffers from elephantiasis of the pocket. He is also rumoured to run a successful empire of email scams. But he can help. With Cash Daddy's intervention, Kingsley and his family can be as safe as a tortoise under its shell. It is up to Kingsley now, to reconcile his passion for knowledge with his hunger for money, to fully assume his role of first son. But can he do it without being drawn into this outlandish milieu?

Globe and Mail bestseller, The Boat People is an extraordinary novel about a group of refugees who survive a perilous ocean voyage only to face the threat of deportation amid accusations of terrorism When a rusty cargo ship carrying Mahindan and five hundred fellow refugees from Sri Lanka's bloody civil war reaches Vancouver's shores, the young father thinks he and his six-year-old son can finally start a new life. Instead, the group is thrown into a detention processing center, with government officials and news headlines speculating that among the "boat people" are members of a separatist militant organization responsible for countless suicide attacks--and that these terrorists now pose a threat to Canada's national security. As the refugees become subject to heavy interrogation, Mahindan begins to fear that a desperate act taken in Sri Lanka to fund their escape may now jeopardize his and his son's chance for asylum. Told through the alternating perspectives of Mahindan; his lawyer, Priya, a second-generation Sri Lankan Canadian who reluctantly represents the refugees; and Grace, a third-generation Japanese Canadian adjudicator who must decide Mahindan's fate as evidence mounts against him, The Boat People is a spellbinding and timely novel that provokes a deeply compassionate lens through which to view the current refugee crisis.
