Organizational Behavior, 5th Edition | Wiley. People, processes, and technology. These are the three major drivers of business achievement. The best leaders inherently understand that great companies start with great people. This is as true now as it was during the beginning of the industrial revolution, and understanding and staying current on the latest organizational behavior research and best practices paves the way for managerial success.

Brooks offers readers a succinct, lively and robust introduction to the subject of organisational behaviour. While aiming to encourage and promote the critical examination of the theory of organisational behaviour, this book also seeks to enable students to interpret and deal with real organisational problems.
