soul. A promising young intellectual in Tsarist Russia, he won recognition as a novelist and philosopher, yet descended into self-chosen obscurity as a teacher of 'the Work', the system of his great contemporary Gurdjieff. Today, it is as Gurdjieff's chief disciple that he is remembered, yet Colin Wilson argues

convincingly that he is to be considered a major writer and man of genius in his own right. A nostalgic melancholy Russian, on of Ouspensky's deepest instincts was that man can find his own salvation, yet towards the end of his turbulent life he lost faith in the System and drank himself to death. With

Wilson throws new light
