FRANCESCA I was stolen away and held prisoner in Italy, a bride for a mafia king's only heir. Except I'm no innocent, and it's the king himself-the man called il Diavolo-who appeals to me in sinful ways I never dreamed.

Fausto's wickedness draws me in, his power like a drug. And when the devil decides he wants me, I'm helpless to resist him-even if it means giving myself to him, body and soul. He may think he can control me, but this king is about to find out who's really the boss. ***** MAFIA MISTRESS is a full-length mafia romance written by a USA Today Bestselling author. It's the first book in the Italian Kings duet, not a standalone.

Some people flourish amidst decay, and among those are a global oligarchy and the dysfunctional types the former promotes in the name of 'human rights', 'social justice', and 'equality'. The main obstacles to their 'new world order' are what they call the 'primary ties': the traditional family bond, faith, homeland, culture and ethnicity. In order to eliminate these, there is a well-financed assault, using feminism, identity politics, transgenderism, population control, sexology, 'human relations training', ad infinitum. Of particular service have been the social sciences, including what is called 'Cultural Marxism'. Turning normality on its head, what was until recently regarded as aberrant is now the
