Peppermint Patty - Peanuts 2018 Mini Day-to-day Calendar ...

I always loved reading Peanuts as a kid and still love Snoopy and Peanuts to this day. So I had to get this 2018 Peanuts day-to-day desk calendar. The only thing I was surprised about this item was it was so small and smaller than I expected. But it will still do the job as I expect to keep track of my days while at home for next year.
