Rocky Mountains, Almer Johnson is back in St. Louis. The fur trade is going bust everywhere, but he finds that trade into Mexico is booming. Almer has never considered himself a merchant, but when hard times come around, men must do what they can to prosper. Accompanied by an old friend, Almer sets out with a

Read Book Plews

caravan of trade goods bound for Santa Fe. After losing her husband and two infant children, Ruth Baker cannot face another arranged marriage. She leaves home and family behind, hoping to find a fresh start beyond the western horizon. Ruth hopes to find a new life in a country far removed from her grandfather's heavy handed rule,

Read Book Plews

but she must first make it out of Missouri without revealing her Mormon heritage. Word reaches Fort Houston that the Parker homestead has been raided by Comanches. Most of the Parker men have been killed, and several women are missing. They will need the help of an accomplished Indian hunter if they are to have any chance of

Read Book Plews

rescuing the captives. Unfortunately, the most seasoned man available is a vicious drunkard by the name of Will Norton. The Santa Fe Trail is a long, dusty road full of hardship and woe. Some folks make the journey for adventure, some because they are running away, and others do so for revenge. Most however, brave the long

Read Book Plews

journey across the plains hoping to line their pockets with Mexican Silver.

The American west is the birthplace of legends. Before the outlaws, lawmen, gamblers, and cowboys made their mark however, the lands west of the Mississippi were explored by a certain 'reckless breed'

Read Book Plews

of individuals. Men we know as mountain men. These doughty men who braved empty plains, forbidding mountain ranges, and turbulent rivers, did so seeking one thing: beaver pelts, or as they called them plews. Battered by extremes of weather, menaced by beasts with little fear of man, and harried by unpredictable Indians, the

Read Book Plews

mountain men risked their lives to harvest the valuable furs. Stories came downriver of a place where the beaver were abundant and the finest plews on God's earth could be found. The stories were sporadic however, as few men had ever trapped the area and lived to tell the tale. The place was called 'Three Forks' and was the home

Read Book Plews

of the Blackfoot, the most feared tribe of Indians in the mountains. Seasoned trapper Walter Hatcher knew that if a group were to trap the 'Three Forks' successfully it would be made up of the toughest bunch of men he could find. Trappers with cunning and courage beyond that of other men would have to come together in order

Read Book Plews

to bring home the plews. If such an audacious plan were to be carried out, those who accomplished the feat would surely be known as the most daring of the 'reckless breed' and that is just what Hatcher sets out to do. Almer Johnson did not consider himself reckless, or much of anything at all, as he works on the St.

Read Book Plews

Louis docks. When an unexpected opportunity arises to join a fur trapping expedition the young man seizes the chance to make something of himself. Facing danger at every turn, Almer sets his poles for the mountains knowing he will be lucky if he makes it back with his scalp, but willing to take the risk for the plews.
