The first books to present specific guidance for teaching the Common Core State Standards. Forty-three states plus the District of Columbia and the U.S. Virgin Islands have signed on to adopt the Common Core State Standards (CCSS). The need for curriculum guides to assist teachers in helping students meet these standards has become imperative. Created by

teachers, for teachers, the research-based curriculum maps in this book present a comprehensive, coherent sequence of thematic units for teaching the skills outlined in the CCSS for English language arts in Grades 9-12. Teachers can use the maps to plan their year and craft their own more detailed lesson plans. Each grade is broken down into six units that include focus standards, suggested works, sample activities and assessments, lesson plans, and more. The maps address every standard in the CCSS, yet are flexible and adaptable to accommodate diverse teaching styles. Any

Shakespeare's history plays make up nearly a third of his corpus and feature iconic characters like Falstaff, the young Prince Hal, and Richard III--as well as unforgettable scenes like the storming of Harfleur. But these plays also present challenges for teachers, who need to help students understand shifting dynastic feuds, manifold concepts of political power, and early modern ideas of the body politic, kingship, and nationhood. Part 1 of this volume, "Materials," introduces instructors to the many editions of the plays, the wealth of

contextual and critical writings available, and other resources. Part 2, "Approaches," contains essays on topics as various as masculinity and gender, using the plays in the composition classroom, and teaching the plays through Shakespeare's own sources, film, television, and the Web. The essays help instructors teach works that are poetically and emotionally rich as well as fascinating in how they depict Shakespeare's vision of his nation's past and present.
