books and Answer Key. Please note that the Answer Key covers the entire four-volume set. (Images of activity book covers are on page 3.) This is a comprehensive study of American history from pre- Columbus through the election of George W. Bush as president of the United States. Content is based on the 15 major components of culture: families, agriculture, media, military, government, religion, education, discoveries, industry, communication, leaders, light/energy, art, sports, and transportation. Each lesson begins with a vignette or narrative carefully designed to engage the students emotionally

and academically. Theme art, time lines, maps and charts illustrate each lesson to pull the students mind into the text and clarify content. This course has been called real history because it ties the fifteen major cultural components to real people, places and principles which distinguish America. The vocabulary level is applicable for students from eighth through twelfth grade. The content is designed to raise students aspirations for noble and honorable life styles of the American Dream. Essential academic elements are aligned with standards normally expected for grades eight through
