The First 90 Days: Critical Success Strategies for New Leaders at All Levels (Hardcover) Published May 7th 2013 by Harvard Business Review Press. Updated and Expanded Edition, Hardcover, 304 pages. Author (s): Michael D. Watkins.

In this updated 10th anniversary edition, an internationally known leadership transition expert, drawing on real-world examples and groundbreaking research on leadership, emphasizes the importance of successful performance during the first 90 days in a new position. 100,000 first printing.

Your next professional move can make or break your career. Are you ready? In business, especially today, you are only as successful as your next career transition. Do well, and you'll be on the fast track to even more challenging roles. Fail, and you could irreparably harm your career--and your organization. In his international bestseller *The First 90 Days*, transition guru Michael D. Watkins outlined a set of basic principles for getting up to speed quickly in new professional

Read Online The First 90 Days Updated And Expanded Critical Success Strategies For

roles. Since that book was published Watkins has worked with thousands of leaders, helping them to accelerate their transitions. These leaders posed challenging questions on how to apply the basic principles in real-life situations. The truth that emerged: the First 90 Days framework can be applied in every transition, but the way you apply it is entirely different when you have been promoted to a higher level than it is when you are joining a new organization or taking a role in a different country. Master Your Next Move answers a distinct need, focusing on the most common types of transitions leaders face and the unique challenges posed by each. Based on years of research, and now with a new introduction, this indispensable book explores eight crucial transitions virtually everyone encounters during their career, including promotion, leading former peers, onboarding into a new company, making an international move, and turning around a business in crisis. With real-world examples and many practical models and tools, Master Your Next Move is your guide to surviving and thriving as you make your next move . . . and every one after that.

The authors address the crucial differences between the private and public sectors. This concise, practical book provides a roadmap to help new government leaders at all levels accelerate their transitions.

This Harvard Business Review collection, featuring the work of celebrated author and advisor Michael D. Watkins on leadership transitions, includes the international bestseller The First 90 Days, Updated and Expanded as well as the 2012 Harvard Business Review article, "How Managers Become Leaders."

"Whether you're going for that promotion, looking to jump

ship, or change careers' entirely, Michael Watkins' *Your Next Move* is a book you'll want to read." So starts the positive review of *Your Next Move* on the influential 800 CEO Read website. It's true that all leaders--no matter how seasoned--need guidance through the professional changes that define a career. In fact, transitions into new roles are the crucibles in which leaders get their toughest tests, and they're the defining factor in professional careers today. Yet far too often, leaders fail to transition effectively into new roles. The resulting costs are high, for individual careers and for organizations. In *Your Next Move*, leadership-transition guru Watkins shows how you can survive and thrive in all the major transitions you will face during your career--including promotions, leading former peers, on-boarding into a new organization, making an international move, or turning around or realigning an organization. With real-life examples and case studies, Watkins illustrates the defining hurdles associated with each type of transition. He then provides the insights, strategies, and tools you'll need to accelerate through these crucial turning points and continue moving up in your career. The necessary complement to the author's bestselling guide *The First 90 Days*, which has been translated in more than 20 languages worldwide, *Your Next Move* offers the keen observations, tried-and-true management wisdom, and practical good sense Watkins is renowned for. It's a vital resource for any manager or executive seeking to maintain career momentum. To quote the reviewer from above: "It's not just about "moving" but about what happens when those actions are taken. Success or failure are the two options, and which option you emerge with will determine what happens going forward. Watkins' book definitely has the research and insight to equip you for the better of the two paths."

This Harvard Business Review collection features the best in leadership transitions from celebrated author and advisor Michael D. Watkins. Watkins, who has worked for decades guiding senior leaders into new roles to help them and their organizations succeed, is the author of the international bestseller *The First 90 Days*. With more than 400,000 copies sold worldwide and published in more than 25 languages, the book has become the standard reference for leaders in transition. In addition to the full digital edition (ebook) of *The First 90 Days*, this collection includes digital editions of Watkins' other popular works: *Your Next Move*, which guides professionals through the most common career transitions; *Shaping the Game*, on how to lead effective negotiations; and his 2012 Harvard Business Review article, "How Managers Become Leaders." Watkins, whose ideas have guided some of the world's best leaders through successful transitions, is the chairman of leadership development consultancy Genesis Advisers. Drawing on the perfect combination of research and hands-on experience, he has spent the last two decades working with leaders—both corporate and public—as they transition to new roles, negotiate the future of their organizations, and craft their legacy as leaders. He was previously a professor at the Kennedy School of Government at Harvard, Harvard Business School, INSEAD in France, and IMD in Switzerland.

You just got hired! Congrats! Now what? It takes most new product managers six to eight months to reach full productivity. Most companies and managers don't have onboarding training designed specifically for product managers. This means you would spend half of your first year haphazardly gathering the bits of information you need to be
