Christopher Hitchens Verso, pounds sterling7.95, pp 98 ISBN 1 85984 054 X "Who would be so base," asks Christopher Hitchens, "as to pick on a wizened, shrivelled old lady, well stricken in years, who has consecrated her whole life to the needy and destitute?" The answer is Hitchens himself, in this provocative study of the life of Mother Teresa of Calcutta.

The Missionary Position: Mother Teresa in Theory and ...
In my book, The Missionary Position: Mother Teresa In Theory and Practice, I provide evidence that Mother Teresa has consoled and supported the rich and powerful, allowing them all manner of indulgence, while preaching obedience and resignation to the poor.

Mother Teresa | by Christopher Hitchens | The New York ...
Mother Teresa. While Christopher Hitchens offered up in-depth essays and critiques on many notable figures and political movements, hardly any public figure saw as much criticism as Mother Teresa, who Hitchens based several essays and his novel "The Missionary Position" on. His views on Mother Teresa didn't focus entirely on her character, rather extended to highlighting the praise and sainthood that she received by believers and non-believers alike, while he felt that she was not bereft of ...

The Missionary Position: Mother Teresa in Theory and ...
Mother Mary Teresa Bojaxhiu (born Anjezë Gonxhe Bojaxhiu, Albanian: [a??z? ??nd?? b?ja'd?iu]; 26 August 1910 – 5 September 1997), honoured in the Catholic Church as Saint Teresa of Calcutta, was an Albanian - Indian Roman Catholic nun and missionary.

Mother Teresa – Wikipedia
Published in 1995, the provocatively titled "The Missionary Position" starts with Hitchens' criticism of Mother Teresa accepting an award from the authoritarian regime of Haiti. He stressed the hypocrisy of such a respected individual who reportedly called for tolerance being welcomed and uncritical of Haiti's leader, Jean-Claude Duvalier.

The Missionary Position: Mother Teresa in Theory and ...
Among his many books, perhaps none have sparked more outrage than The Missionary Position, Christopher Hitchens's meticulous and searing study of the life and deeds of Mother Teresa--and it is now available as a Signal deluxe paperback. A Nobel Peace Prize recipient canonized by the Catholic Church in 2003, Mother Teresa of Calcutta was celebrated by heads of state and adored by millions for her work on behalf of the poor. In his measured critique, Hitchens asks only that Mother Teresa's reputation be judged by her actions--not the other way around. With characteristic elan and rhetorical dexterity, Hitchens eviscerates the fawning cult of Teresa, recasting the Albanian missionary in a light she has never before been seen in.

The Missionary Position: Mother Teresa in Theory and ...
Explores the work of Mother Teresa, questioning her association with corrupt and cruel leaders and discussing the way wealthy western society promotes her as a celebrity

The Missionary Position: Mother Teresa in Theory and ...
Recipient of the Nobel Peace Prize, feted by politicians, the Church and the world's media, Mother Teresa of Calcutta appears to be on the fast track to sainthood. But what makes Mother Teresa so divine? In this frank and damning exposé of the Teresa cult, Hitchens details the nature and limits of one woman's mission to help the world's poor. He probes the source of the heroic status bestowed upon an Albanian nun whose only declared wish was to serve God. He asks whether Mother Teresa's good works answered any higher purpose than the need of the world's privileged to see someone, somewhere, doing something for the Third World. He unmasks pseudo-miracles, questions Mother Teresa's fitness to adjudicate on matters of sex and reproduction, and reports on a version of saintly ubiquity which affords genial relations with dictators, corrupt tycoons and convicted frauds. Is Mother Teresa merely an essential salve to the conscience of the rich West, or an expert PR machine for the Catholic Church? In its caustic iconoclasm and unsparing wit, The Missionary Position showcases the devastating effect of Hitchens' writing at its polemical best. A dirty job but someone had to do it. By the end of this elegantly written, brilliantly argued piece of polemic, it is not looking good for Mother Teresa. - Sunday Times

Does Mother Teresa Deserve Her Reputations As The Most Charitable Person Of All Time: This Book Reveals The Real Teresa.

Does Mother Teresa Deserve Her Reputations As The Most Charitable Person Of All Time: This Book Reveals The Real Teresa.
Suggests that President Clinton's largest legacy may be the weakening of the presidency and of the Democratic Party.

"Art of Mentoring" seriesIn the book that he was born to write, provocateur and best-selling author Christopher Hitchens inspires future generations of radicals, gadflies, mavericks, rebels, angry young (wo)men, and dissidents. Who better to speak to that person who finds him or herself in a contrarian position than Hitchens, who has made a career of disagreeing in profound and entertaining ways. This book explores the entire range of "contrary positions"-from noble dissident to gratuitous pain in the butt. In an age of overly polite debate bending over backward to reach a happy consensus within an increasingly centrist political dialogue, Hitchens pointedly pitches himself in contrast. He bemoans the loss of the skills of dialectical thinking evident in contemporary society. He understands the importance of disagreement-to personal integrity, to informed discussion, to true progress-heck, to democracy itself. Epigrammatic, spunky, witty, in your face, timeless and timely, this book is everything you would expect from a mentoring contrarian.

The Four Horsemen In 2007, Christopher Hitchens, Richard Dawkins, Sam Harris, and Daniel Dennett filmed a landmark discussion about modern atheism. The video went viral. Now in print for the first time, the transcript of their conversation is illuminated by new essays from three of the original participants and an introduction by Stephen Fry. At the dawn of the new atheist movement, the thinkers who became known as "the four horsemen," the heralds of religion's unraveling—Christopher Hitchens, Richard Dawkins, Sam Harris, and Daniel Dennett—sat down together over cocktails. What followed was a rigorous, pathbreaking, and enthralling exchange, which has been viewed millions of times since it was first posted on YouTube. This is intellectual inquiry at its best: exhilarating, funny, and unpredictable, sincere and probing, reminding us just how varied and colorful the threads of modern atheism are. Here is the transcript of that conversation, in print for the first time, augmented by material from the living participants: Dawkins, Harris, and Dennett. These new essays, introduced by Stephen Fry, mark the evolution of their thinking and highlight particularly resonant aspects of this epic exchange. Each man contends with the most fundamental questions of human existence while challenging the others to articulate their own stance on God and religion, cultural criticism, spirituality, debate with people of faith, and the components of a truly ethical life. Praise for The Four Horsemen "This bracing exchange of ideas crackles with energy. It's fascinating to watch four first-class minds explore a rugged intellectual terrain. . . . The text affords a different, more reflective way of processing the truly vital exchange of ideas. . . . I commend the book to those seeking an honest reckoning with their religion—and those curious about how the world looks from a rigorously naturalistic and atheistic point of view."—Pittsburgh Post-Gazette "The full, electrifying transcript of the one and only conversation between the quartet of luminaries dubbed the 'four horsemen' of the New Atheism, which took place in Washington, D.C., in 2007. Among the vast range of ideas and questions they discuss: Is it ever possible to win a war of ideas? Is spirituality the preserve of the religious? And, are there any truths you would rather not know?"—The Bookseller (UK) (starred review)

The Four Horsemen On June 8, 2010, while on a book tour for his bestselling memoir, Hitch-22, Christopher Hitchens was stricken in his New York hotel room with excruciating pain in his chest and thorax. As he would later write in the first of a series of award-winning columns for Vanity Fair, he suddenly found himself being deported "from the country of the well across the stark frontier that marks off the land of malady." Over the next eighteen months, until his death in Houston on December 15, 2011, he wrote constantly and brilliantly on politics and culture, astonishing readers with his capacity for superior work even in extremis. Throughout the course of his ordeal battling esophageal cancer, Hitchens adamantly and bravely refused the solace of religion, preferring to confront death with both eyes open. In this riveting account of his affliction, Hitchens poignantly describes the torments of illness, discusses its taboos, and explores how disease transforms experience and changes our relationship to the world around us. By turns personal and philosophical, Hitchens embraces the full panoply of human emotions as cancer invades his body and compels him to grapple with the enigma of death. MORTALITY is the exemplary story of one man's refusal to cower in the face of the unknown, as well as a searching look at the human predicament. Crisp and vivid, veined throughout with penetrating intelligence, Hitchens's testament is a courageous and lucid work of literature, an affirmation of the dignity and worth of man.

The Four Horsemen No woman alive today has inspired so many with her simplicity of faith and compassion so all-encompassing. As she daily embraces the "least of the least" in her arms, Mother Theresa challenges the whole world to greater acts of service and understanding in the name of love. First published in 1971, this classic work introduced Mother Theresa to the Western World. As timely now as it was then, Something Beautiful for God interprets her life through the eyes of a modern-day skeptic who became literally transformed within her presence, describing her as "a light which could never be extinguised."
