The Story of the World (SOTW) by Susan Wise Bauer presents world history through storytelling in this four-volume series. While these books are written at increasing levels of difficulty, they might be read aloud to younger children and read independently by older.

## The Story of the World: History for the Classical Child ...

The Story of the World (Elementary Grades) Elementary Homeschool History perfect for the younger child to understand. In the quest to cover a little of everything from a particular time period AND present it at a level that a younger child can understand, most elementary history texts are, well, lacking in the "fascination" department.
