Robert Heinlein's Hugo Award-winning all-time masterpiece, the brilliant novel that grew from a cult favorite to a bestseller to a science fiction classic. Raised by Martians on Mars, Valentine Michael Smith is a human who has never seen another member of his species. Sent to Earth, he is a stranger who must learn what it is to be a man. But his own beliefs and his powers far exceed the limits of humankind, and as he teaches them about grokking and water-sharing, he also inspires a transformation that will alter Earth's inhabitants forever...

The New York Times bestselling series that inspired the international hit video game: The Witcher A sample of offerings from international fantasy superstar Andrzej Sapkowski, and the perfect introduction to his work. Best known for his series of stories and novels about Geralt, the Witcher, Sapkowski is one of the most successful fantasy authors in the world. Contains: 2 complete Witcher short stories taken from THE LAST WISH, the first chapter of BLOOD OF ELVES, the first Witcher novel, the first chapter of BAPTISM OF FIRE, the third full-length book in the series, and a non-Witcher short story "The Malady." For more Witcher, check out: Witcher novelsThe Blood of Elves The Time of Contempt Baptism of Fire The Tower of SwallowsLady of the Lake Witcher collectionsThe Last WishSword of Destiny

In a visually stunning volume, readers are taken on a guided tour of the fantastical realm of The Wicher video games, where they will meet Geralt, one of the few remaining monster hunters that inhabit this dark world.

Forty-five colorable images from the fantastical world of The Witcher! Journey along with Geralt, Ciri, Triss, Yennefer, Roach, Shani, and all of your favorite Witcher characters in a variety of fantastic settings . . . all inspired by the hit video game franchise with The Witcher Adult Coloring Book. Featuring uniquely designed and highly detailed black and white illustrations inspired by the games; this compilation of exquisitely crafted images is a must-have for Witcher fans worldwide!

Trapped in a world ruled by the Elves, separated from Geralt and her destiny, Ciri will need all her training as a fighter and sorceress to return to her own time in the fifth book of the New York Times bestselling series that inspired the Netflix show and the hit video games. After walking through the portal in the Tower of Swallows while narrowly escaping death, Ciri finds herself in a completely different world. . . an Elven world. She is trapped with no way out. Time does not seem to exist and there are no obvious borders or portals to cross back into her home world. But this is Ciri, the child of prophecy, and she will not be defeated. She knows she must escape to finally rejoin the Witcher and his companions -- and also to try to conquer her worst nightmare. Leo Bonhart, the man who chased, wounded and tortured Ciri, is still on her trail. And the world is still at war. Andrzej Sapkowski, winner of the World Fantasy Lifetime Achievement award, started an international phenomenon with his Witcher series.

Geralt is a witcher, a man whose magic powers, enhanced by long training and a mysterious elixir, have made him a brilliant fighter and a merciless assassin. Yet he is no ordinary murderer: his targets are the multifarious monsters and vile fiends that ravage the land and attack the innocent. He roams the country seeking assignments, but gradually comes to realise that while some of his quarry are unremittingly vile, vicious grotesques, others are the victims of sin, evil or simple naivety. One reviewer said: "This book is a sheer delight. It is beautifully written, full of vitality and endlessly inventive: its format, with half a dozen episodes and intervening rest periods for both the hero and the reader, allows for a huge range of characters, scenarios and action. It's thought-provoking without being in the least dogmatic, witty without descending to farce and packed with sword fights without being derivative. The dialogue sparkles; characters morph almost imperceptibly from semi-cliche to completely original; nothing is as it first seems. Sapkowski succeeds in seamlessly welding familiar ideas, unique settings and delicious twists of originality: his Beauty wants to rip the throat out of a sensitive Beast; his Snow White seeks vengeance on all and sundry, his elves are embittered and vindictive. It's easily one of the best things I've read in ages."

Andrzej Sapkowski created an international phenomenon with his New York Times bestselling epic fantasy saga, The Witcher, inspiring both the hit Netflix series and the blockbuster video games. Blood of Elves is the first novel in the saga, and the book that season two of the Netflix series is based on. For over a century, humans, dwarves, gnomes, and elves have lived together in relative peace. But times have changed, the uneasy peace is over, and now the races are fighting once again. The only good elf, it seems, is a dead elf. Geralt of Rivia, the cunning assassin known as the Witcher, has been waiting for the birth of a prophesied child. This child has the power to change the world--for good, or for evil. As the threat of war hangs over the land and the child is hunted for her extraordinary powers, it will become Geralt's responsibility to protect them all. And the Witcher never accepts defeat.
