What Management Is: How It Works and Why It's Everyone's...

In this delightful book—I never thought I'd use the word to describe a book about management—Joan Magretta and Nan Store break down the theory and practice of management. The authors describe management of organisations as a universal disciple that makes joint performance possible; one that—in addition to technology and innovation—has helped us achieve our high standards of living.

What Management Is: How It Works and Why It's Everyone's...

A beginner's guide and authoritative source for one of the greatest social innovations of modern times: the discipline of management. In this book, Joan Magretta, a former editor at Harvard Business Review, distils the wisdom of a bewildering sea of books and articles into one simple, clear volume, explaining both the logic of successful organizations, and how that logic works in practice.
