Everyone, it seems, is a fan of Audrey's. She was Gigi, a princess, Holly Golightly, a nun, Maid Marian, even an angel. And we believed her in every role. But Audrey Hepburn was also one of the most admired and emulated women of the twentieth century, who encouraged women to discover and highlight their own strength. By example, she not only changed the way women dress--she forever altered the way they viewed themselves. But Audrey Hepburn's beauty was more than skin deep. "You know the Audrey you saw onscreen? Audrey was like that in real life, only a million times better," says designer Jeffrey Banks. For the first time, this style biography reveals the details--fashion and otherwise--that contributed so greatly to Audrey's appeal. Drawing on original interviews with Hubert de Givenchy, Gregory Peck, Nancy Reagan, Doris Brynner, and Audrey Wilder, as well as reminiscences of professional friends like Steven Spielberg, Ralph Lauren, noted Hollywood photographer Bob Willoughby, Steven Meisel, and Kevyn Aucoin, Audrey Style brings the Audrey her family and friends loved to life. With more than ninety color and black-and-white photographs, many of which have never before been published, and original designer sketches from Edith Head, Hubert de Givenchy, Vera Wang, Manolo Blahnik, Alexander McQueen, and others, Audrey Style gives measure to the grace, humor, intelligence, generosity, and inimitable fashion sense that was Audrey Hepburn.

In a society driven by celebutante news and Myspace profiles, women of class, style and charm are hard to come by. The Audrey and Katharines of the world continue to lose their luster as thongs, rehab and outrageous behavior burn up the daily headlines. But, despite appearances, guys still want a girl they can take home to their mom, employers still like to see a tailored suit and peers still respect classy conduct. So is it possible to maintain old fashioned virtues in a modern world without looking like a starchy Amish grandma? Christy shows women how in this guide to glamorous style, professional success and true love...the classy way. Full of fun assignments, notable names and real-life examples, Christy offers a new look at seemingly "old fashioned" advice. She covers diet, speech, work ethic, friends, relationships, manners, makeup, and fashionable yet modest clothing, showing modern ladies how they can be beautiful, intelligent and fun while retaining values and morals.

Assembled by Audrey Hepburn's son Luca Dotti, Audrey in Rome is an intimate collection of almost two hundred candid photographs of the beloved actress and much-imitated style icon during the twenty-year period she made Rome her home. A private album of rare snapshots—many never published before—of Audrey Hepburn in her everyday life as a citizen of the Eternal City, Audrey in Rome is a treasure for every fan of her films and her impeccable, timeless style. With an introduction by Dotti that reveals Audrey's private side and three photo-filled chapters organized by decade, the book captures the actress as she strolls around the city alone and with family and friends, walks her Yorkie, Mr. Famous, has breakfast in Piazza Navona, visits the local florist, and more. The book also contains set photographs of the films she made during her Rome years (Roman Holiday, War and Peace, The Nun's Story, Breakfast at Tiffany's) and of the famous clothes and accessories that helped create her iconic look. Irresistible as the actress herself, Audrey in Rome opens the door to Hepburn's personal world.
