A unique and compelling title: Steer clear of generic phrases like "my autobiography" or "the story of me, my family, and famous people I know." A first person narrative voice : Third person writing is appropriate for traditional biographies, but in the autobiography format, third person voice can read as presumptuous.

This is your autobiographical essay, and you write about your own life. Use the words "I," "my," and "me" without hesitation. An autobiography differs from academic writing, where you will avoid personification. When you write a personal essay, readers should hear your personal voice, as it is your primordial purpose!
