Orthodontics*

History. Orthodontics as
a modern science dates
back to the mid 1800s.
Influential contributors
to the field include
Norman William
Kingsley (1829–1913)
and Edward Angle
(1855–1930). Angle
created the first simple

University of Edinburgh

Who is an Orthodontist?

A specialist orthodontist

must first qualify as a

dentist, and then

undertakes a three year,

full-time post-graduate

study in orthodontics.

All orthodontists are

dentists but about 3% of

dentists in the UK are

qualified as specialist

orthodontists.
